

21 Days of Prayer & Fasting (September 2026)
(Week 3 – Pray for Those Who Do Not Know JESUS)

- Intercede for our missionaries (10/40 window)
- Target unreached people (those with little to no access to Christian resources)
- Many leaders around the world (wisdom & justice for political and civic leaders across different countries to let Christians worship in peace)
- Support for the persecuted church (protection & strength)
 - Create a prayer list (specific days to different continents, countries, or missionaries you know)
 - Prayer walking your streets and hold the nations in prayer

Week 3 Questions for Discussion

1. Who is someone, a missionary, a ministry or a person in the room that God maybe calling you pray for or go alongside?
2. Is there a nation, people group, or a region that God put on your heart?
3. How has this 21-day season changed the way you see prayer for your own heart, for your neighbors, and for the nations?
4. What is one practice from these three weeks that you want to carry forward after the 21 days are over?
