

Angaza Christian Schools

In 2023, Family of Christ answered the need to help educate children by partnering with St. John's Lutheran Church in Bakersfield, California, to sponsor children at Angaza Christian Schools in Usa River, Tanzania. St. John's built and began a school there in 2012 for children in preschool through 7th grade. Soon, the classrooms were full, and to meet the needs of the community, St. John's was called to begin another school a few kilometers away, now known as Angaza 2. Family of Christ joined them in 2023 to sponsor the children at this new school. To date, we have 85 sponsors supporting 120 children, and for the 2027 school year, we have 40 more children to sponsor.
