1. Connect Time

Leader Tip

Snack Time This can be done at any point during the hour except for within the last fifteen minutes in the classrooms to ensure that everything is able to be cleaned up and put away prior to parent pick up. Use your discretion as the classroom leader in choosing when to distribute snack to children.
*Previews of all videos listed below can be found on the Teacher Resource Page in the corresponding digital media folder.
Use this time to welcome children as they arrive! Introduce yourself, learn names, and help children learn their friends’ names. Connect Time is an easy way to help a child feel included and part of the team right from the beginning. The purpose is to help kids meet other kids, connect with their leaders, and feel a part of the team. These “stations” are already found all around each preschool classroom. Building blocks, cars, baby dolls, or any of the other toys and manipulatives in the classrooms for kids to play with. Please feel free to pull out blank paper and writing/drawing materials as well as playdough and cookie cutters. All of these are available to you for use during this time. If you need any other items, please feel free to let Katie Grace or your hallway coordinator for the week know and they will work on next steps to secure those items for your room.

2. Tissue Paper Heart — Craft

3 minutes

Preschoolers will work together to glue tissue paper squares on a large heart shape.

Big Goal: Be seen, heard, and known by my team.

Leader Prep: Cut a sheet of butcher paper to fit on a tabletop. Tape down the corners. Draw the outline of a heart shape on the paper.

Supplies

- [ ] Butcher paper — 1 per group
- [ ] Tape — 1 per group

☐ Marker	1 per group	☐ Glue sticks	Several
☐ Colored tissue paper	Several	☐ Adult scissors	1 per group

Craft Instructions:

1. Before the session, cut a sheet of butcher paper to fit on a tabletop. Tape down the corners. Draw the outline of a heart shape on the paper.
2. Distribute sheets of tissue paper to preschoolers. Show them how to tear it into smaller pieces.
3. Encourage preschoolers to use glue sticks to glue the tissue paper pieces inside the outline of the heart shape, filling in all the spaces. Guide them to place glue on the butcher paper and then press the tissue paper pieces to the glue.
4. Lead preschoolers to name something they love each time they glue down a piece of tissue paper.

Script

What To Do: Hi, friends! Welcome to church! I am so glad you are here today. Let's make a tissue paper heart together. What shape are we going to make? *(A heart!)* That's it! First, we will tear tissue paper into small pieces. Then we will fill the heart with tissue paper pieces by gluing them inside the heart. Let's see if we can fill the whole heart! As we create this colorful heart art, let's find out more about each other. When you glue down a piece, you can tell our group about something you love.

Keep It Going: Prompt preschoolers to say, "Me too," when they hear someone name something that they also love.

Leader Tip

Leaders may need to apply glue to the butcher paper to help manage the amount used.

Script

Connect It: Look how amazing our heart turned out! We worked together, and we also learned a lot about what we love. Sharing what we love helps us get to know everyone. It is so special to know everyone in our group because we are a team. Let's look at a friend and say, "Great job!" *(Great job!)*

3. Help The Sick — Activity

5 minutes

Preschoolers will use toy doctor kits to care for dolls.

Big Goal: Share with friends.

Supplies

- [ ] Toy doctor kit — 1 per group
- [ ] Baby dolls — Several

Script

What To Do: Let's do an activity called "Help the Sick." Who are we going to help? *(The sick!)* Great! There are several dolls here that are sick, and we can help care for them using a toy doctor kit. We can share the different tools in the kit. Let's listen to their heartbeats, take their temperatures, and look at their eyes and ears.

Script

Connect It: It was a lot of fun caring for the dolls who were sick. We did a great job sharing the doctor tools with our friends while we were playing. Look at a friend and say, "Thanks for sharing!" *(Thanks for sharing!)* Good job! We are all friends here, and we can help our friends by sharing and playing together.

4. Welcome Video

5 minutes

The Welcome Video is meant to be played as preschoolers enter Large Group. Encourage Team Time leaders to follow along on the screen. Help preschoolers by reading the words on the screen aloud, encouraging their participation. This interaction is designed to keep preschoolers engaged until you are ready to begin. Once everyone has arrived and it is time to start Large Group, play the 20-second Countdown Video and encourage preschoolers to count down with you!

Leader Tip

Live host greets preschoolers as they come to Large Group. Welcome preschoolers and connect with them by asking questions. Ask them about who is a good friend to them. It could be a sibling, someone from an activity they do, or someone in the room.

If you can, stand up and follow along with the movements I do. Let's reach high up to the sky and wiggle our fingers. *(Encourage preschoolers to reach high and wiggle fingers.)* Now reach down low and try to touch your toes. *(Lead preschoolers to touch their toes.)* Good! Use one hand and reach as far around to your back as you can and stick it there. *(Lead preschoolers to do motion.)* Is it stuck? Now reach around with the other arm as far as you can and stick it there. *(Lead preschoolers to do motion.)* Wow! Look at how your arms are stuck. You just gave yourself a hug. Now turn to a friend, wave, and say, "Hi, friend!" *(Hi, friend!)* Great job! Today we are learning how when God forgives us, it sticks and stays. When you forgive, you let go of your hurt feelings. Our Theme this month is *Stuck on You!* When we say, "Stuck on You," we are talking about how forgiveness stays. It doesn't go away. Let's say, "Stuck on you!" together. Ready? "Stuck on you!" Way to go! When we make a wrong choice that hurts someone, we need to ask that person to forgive us. Today we are learning about God will forgive us when we ask and how it always sticks—it never goes away!

Big Deal Motions:
Stuck on You! *(Clasp both hands together in front of you.)*
God Forgives Me and You! *(Move open hands up to point to the sky. Then point to yourself with your thumbs and out toward friends.)*

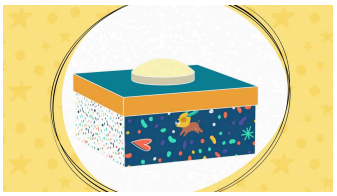

Script

Host Script: *(To screen)* Thanks, Super Crew!

(To preschoolers) In our Bible story, four friends carried a man who could not walk on a mat up on top of a house. They made a hole in the roof and lowered their friend down on his mat in front of Jesus. When Jesus saw the faith of the friends, He looked at the man who could not walk and said to him, “Your sins are forgiven.” Some of the leaders did not understand. They wondered, *How can Jesus say this? Only God can forgive sins.* But Jesus knew what the leaders were thinking, and He told them, “I will show you I have the power to forgive sins.” Jesus told the man on the mat, “Get up, take your mat, and go home.” Right away, the man got up, took the mat, and walked out in front of all the people. Jesus forgave the man for the wrong things he had done, and then He healed him so he could walk again. Jesus is God’s Son, and He has the power to heal and forgive us too.

Our Super Clue today is a bandage. When we have a cut or scrape, we can use a bandage to protect the hurt spot and help make it better. This is a hurt we can feel on the outside. Sometimes we also have hurts on the inside. When we sin or make a wrong choice, we hurt on the inside. Jesus heals those hurts by forgiving us when we ask Him. Jesus came to make a way for us to be forgiven of the wrong choices we make. When God forgives us it is forever! It’s stuck like glue! Jesus heals our hurt from sin and gives us a way to have a friendship with God. That is amazing news!

Our Big Deal today talks about how God forgives me and you, and when He forgives us it sticks for good! Let’s say it together one more time. I’ll say it first, and you can say it after me. Ready? Stuck on You! *(Stuck on You!)* God Forgives Me and You! *(God Forgives Me and You!)* Good job!

Let’s pray together. *Prayer* is when we talk and listen to God. We can thank God for forgiving us when we ask Him.

God, thank You for the true story in the Bible that shows us how You forgive and heal. Thank You for forgiving us when we ask. We are so thankful that You make a way for us to have a friendship with You. Amen.

Script

Loud And Clear: Jesus forgave a man for the wrong things he had done, and then He healed him so he could walk again. Jesus is God's Son, and He has the power to forgive and heal. (To preschoolers) In our Bible story today, a man named Peter did not tell the truth about knowing Jesus. When Peter realized what he had done and the wrong choices he had made, he cried. He was so sad and sorry for lying about knowing Jesus. After Jesus died on the cross and came back to life, He appeared to Peter and invited him to have breakfast. After breakfast Jesus asked Peter three different times, “Do you love Me?” All three times, Peter told Jesus he loved Him. Jesus forgave Peter, and God made Peter whole. Jesus told Peter, “Feed My sheep.” Jesus was telling Peter to follow Him. Jesus gave Peter an important job to do—to share the special news about Jesus with others. Peter made a wrong choice and was broken because of his sin. We also make wrong choices and are all broken because of our sin, but God can make us whole.

Our Super Clue today is liquid glue. When a toy breaks, you can make it whole by using glue to put the pieces back together. We all make wrong choices and need God to make us whole by forgiving us. And He does! When we ask God to forgive us, He does and offers us a friendship with Him.

Our Big Deal today tells us about how God forgives us. Today’s Big Deal is, “Stuck on You! God Forgives Me and You!” Let’s say our Big Deal together. I will say it first, and you say it after me. Big Deal Motions:
Stuck on You! *(Clasp both hands together in front of you.)*
God Forgives Me and You! *(Move open hands up to point to the sky. Then point to yourself with your thumbs and out toward friends.)*

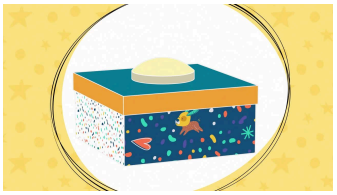

Script

Host Script: *(To screen)* Thanks, Super Crew, for helping us learn how colored sunglasses help us see things new and differently.

(To preschoolers) That was such a great Bible story. It taught us about how God can give us hope! *Hope* means waiting and trusting that something good is coming. In our Bible story, even though the Israelites made wrong choices, God made a way for them to be rescued and healed. We all make wrong choices sometimes, and the Bible calls this *sin*. Sin is when we choose to do what we want to do instead of what God says is best, and sin always needs to be punished. But, just like God gave the people hope in today's Bible story, God can give us hope too! When we ask God to forgive us for our wrong choices, He does!

Our Super Clue today is colored sunglasses. When we put on colored sunglasses, we can see everything in a new and different way because it looks like a different color. When we make wrong choices, it can be hard to see how things might be better or different one day, but God can give us hope to see things differently and to know that He is at work in our lives. Even when we make wrong choices, God will forgive us when we ask Him.

God forgives me and you! Ooh! That is part of today's Big Deal! Let's say it together. I will say it first, and you say it after me. Ready? Stuck on You! *(Stuck on You!)* God Forgives Me and You! *(God Forgives Me and You!)* Way to go!

Let's pray together and thank God for giving us hope. When we pray, we are talking and listening to God.

God, thank You for giving us hope through sending Jesus so we can be forgiven and have a friendship with You. Thank You that You forgive us and it stays with us. We love You! Amen.

Host Script: *(To screen)* Thank you, Super Crew!

(To preschoolers) That was an incredible Bible story! David wrote that he would celebrate all the wonderful things God does for us. God loves us and is kind to us, and He is always faithful to do what He says He will do. He forgives us even though we do not deserve it. We all need God to forgive us, and God forgives us when we ask Him.

Our Super Clue today is a treat bag. Sometimes we get a treat bag when we leave a birthday party or celebration. The treat bag can be full of special things for us, even though it is not *our* birthday. A treat bag can remind us of God's grace. *Grace* means receiving kindness, love, and forgiveness, even when we don't deserve it. God gives His grace to us when He forgives us for our wrong choices.
