Welcome & Connect Time:

Use this time to welcome children as they arrive! Introduce yourself, learn names, and help children learn their friends' names. Connect Time is an easy way to help a child feel included and part of the team right from the beginning. The purpose is to help kids meet other kids, connect with their leaders, and feel a part of the team. These "stations" are already found all around each preschool classroom. Building blocks, cars, baby dolls, or any of the other toys and manipulatives in the classrooms for kids to play with. Please feel free to pull out blank paper and writing/drawing materials as well as playdough and cookie cutters. All of these are available to you for use during this time. If you need any other items, please feel free to let Katie Grace or your hallway coordinator for the week know and they will work on next steps to secure those items for your room.

Craft/Game:

Preschoolers will work together to create a community helpers banner.

Big Goal: Be a part of a team.

Leader Prep: Cut a large piece of butcher paper. Write *Community Helpers* in the middle of the paper. Print and cut out the “Community Helpers Banner” printable, several per group. Glue the pictures to the banner for preschoolers to color and decorate. Tape the banner to the floor or a table.

Supplies:

“Community Helpers Banner” printable Several per group

Butcher paper 1 per group

Adult scissors 1 per group

Glue sticks 1 per group

Crayons Several

Tape 1 per group

Marker 1 per group

Craft Instructions:

1. Before the session, cut a large piece of butcher paper. Write *Community Helpers* in the middle of the paper. Print and cut out the “Community Helpers Banner” printable, several per group. Glue the pictures to the banner for preschoolers to color and decorate. Tape the banner to the floor or a table.
2. Invite preschoolers to sit around the banner and color the pictures.

Script: Today we are talking about how help is on the way! Let’s work together to create a banner of community helpers. A *community helper* is someone who helps people in our community or the place where we live. I am going to name a few community helpers, and I want you to say them after me. Police officer. (*Police officer!*) Firefighter. (*Firefighter!*) Mail carrier. (*Mail carrier!*) Ambulance driver. (*Ambulance driver!*) Teacher. (*Teacher!*) Doctor. (*Doctor!*) Awesome! I think you have a good idea of people who help in our community. I want you to find a spot to color and decorate the community helper items on our banner. We have a police officer badge, a firefighter helmet, an ambulance, a doctor’s kit, a teacher’s book, and a mail carrier’s bag with mail in it. Let’s start coloring. When we finish, we can put our banner up in our room to remind us that help is on the way!

We had so much fun decorating our banner together. It looks great! Everyone did such a good job coloring items that remind us of different community helpers. When we see this banner in our room, we can remember that help is on the way!

Activity:

Preschoolers will use pool noodles to tell a friend their name.

Big Goal: Learn a new name.

Leader Prep: Cut pool noodles into thirds, one per line of preschoolers.

Supplies:

Pool noodles Several

Adult scissors 1 per group

Script: I see so many smiling faces here today! I am so glad you are here. We are going to play a game where we share our names and welcome each other called “Tunnel Talk!” What is the name of our game? (*Tunnel Talk!*) Great! We are going to use a “tunnel” to tell the friend standing beside us what our name is. (*Hold up a pool noodle.*) Let’s all stand in a line. We will pass the pool noodle down the line. Each person will hold the pool noodle near their mouth, without touching the noodle to their lips, and then say their name to the friend standing on the other end of the pool noodle. The friend will hold his end of the noodle up to his ear. (*Demonstrate with another leader.*) We will keep passing the tunnel down the line until all of our friends have had a turn to share their names with their neighbors. What will we say in the tunnel? (*Our names!*) Alright! Let’s pass that pool noodle and have some fun playing “Tunnel Talk!”

Raise your hand if you welcomed a friend during our game. (*Raise your hand.*) We had a lot of fun playing “Tunnel Talk!” We are going to have a great time together learning more about God and how He can help us. I can’t wait to keep the fun going!

Big Deal Motions:

Help Is on the Way! (*Bring hands to mouth like you are yelling.*)

God Cares When I Hurt! (*Give yourself a hug.*)

Script: Singing with everyone was so much fun! Did you have fun? (*Allow responses.*) Today we are going to learn what we like to call the Big Deal. A Big Deal teaches us an important truth about God. The Big Deal is a fun phrase with motions to help us remember what we learn about God. Today's Big Deal is, "Help Is on the Way! God Cares When I Hurt!" (*Do the motions above as you say the Big Deal.*) Let's say that together. I'll say it first, and you say it after me! Help Is on the Way! (*Help Is on the Way!*) God Cares When I Hurt! (*God Cares When I Hurt!*) That's super!

Wait! Did you hear what I heard? (*Cuff hand to ear.*) That sound lets us know we have a Super Clue inside our Super Box. Our Super Clue connects to our Big Deal, "Help is on the Way! God Cares When I Hurt!" Let's see what is inside!

(*Open the Super Box and pull out the physical Super Clue or Super Clue printable.*)

A crayon!? (*Scratch your head as if thinking.*) I know that I use crayons to color pictures for my family and friends, but I wonder what a crayon has to do with our Big Deal, "Help Is on the Way! God Cares When I Hurt!" I know who can help us—our friends in the Clubhouse—the Super Crew! Let's send this Super Clue to the Super Crew. They will help us figure out how a crayon connects to our Big Deal.

(Place the Super Clue back in the Super Box.)

We can count down and press the “Go” button to send the Super Clue to the Super Crew. When I say, “Go,” I’ll press the button on this Super Box. You can pretend to press the button by pressing one hand on top of the other, like this! *(Hold one palm faceup and press the other palm to it facedown, like pressing a button.)*

Ready? 3-2-1 Go!

Play Bible Story Video.

Script: *(To screen)* Thanks, Super Crew!

(To preschoolers) Wow! We need God every day. In our Bible story, God’s people, the Israelites (IZ ray el ights), needed God every day to help them through hard and difficult times. God loved His people and cared for them, and God cares for us when we hurt too. God cares when our bodies hurt, like if we scrape our knees or bump our heads. God also cares when we feel sad, mad, lonely, or afraid. God cares about us anytime we hurt.

Our Super Clue today is a crayon. A crayon can be used every day to draw and color. It reminds us that we need God every day and that God cares about us. That reminds me of our Big Deal, “Help Is on the Way! God Cares When I Hurt!” God is with us every day because He loves us.

Let’s get ready to pray. *Praying* is talking and listening to God. Let’s close our eyes and bow our heads so we can focus on God as we pray.

God, thank You for today and the reminder that You are with us every day. We need You every day. Thank You for loving us and caring for us when we hurt. In Jesus’ name, amen.

Script: God knows what we need before we even ask. He knows when we are hurting and when we need His help. In today's Bible story, we learned about the many ways God helped His people. He knew their hurts and their problems. God cared for them and was with them every day. We can remember that God cares for us and knows what we need each day too.

Activity Page:

Big Goal: Provide an opportunity for connection.

Leader Prep: Print copies of the activity page for each child.

Supplies:

Activity Page 1 per child

Markers or crayons Several

Script: This activity page helps us remember some big things we've learned about today. As you color and work on activities, talk to a friend about some of your favorite parts of our time together.

God cares for us when we hurt. He cared for His people, the Israelites. You followed the line to show different ways God cared for His people. There are many ways He cares for us. We never have to wonder if God will take care of us because when we need help, help is on the way! Let's say our Big Deal together. I'll say it first, and then you say it after me. Help Is on the Way! (*Help Is on the Way!*) God Cares When I Hurt! (*God Cares When I Hurt!*)

Room Refresh & Clean Up:

Script: Okay friends, it is time for us to clean up! Let's walk around the room and find objects and toys that are out of place. We need to see where they belong and put them back! Look at

the pictures around the room to help. This is an important way to show our love for our church.

-Currently, you're welcome to keep a few key items out for children to play with while they wait for their parents to arrive. Our goal in building this into our Sunday morning routine/schedule is to ensure that our classrooms are refreshed and ready either for the next service or to close out our Sunday morning. We want to encourage and teach our little ones how to take care of the church and instill that value in their lives. This will also help our weekday volunteers in preparing the rooms for the next Sunday.

Pick Up Time

During this time, children may play with toys that are not already put away in and around the room until their parents arrive to pick them up. Once all children have left, please make sure to collect and put back any of the items that are left out in the respective places. The photographs around the room will help make sure we leave these spaces the way we found them. We are so appreciative of all you do!

God Cares When I Hurt! *(Give yourself a hug.)*

Script: Today our Big Deal tells us about how God cares when we hurt, and as you might have guessed, it is kind of a big deal! Our Big Deal teaches us something important about God. We will say it a couple of times today and learn some motions to help us remember this special truth about God. Our Big Deal today is, “Help Is on the Way! God Cares When I Hurt!” Let’s try saying it together. I’ll say it first, and you say it after me. *(Use motions above as you say the Big Deal.)* Help Is on the Way! *(Help Is on the Way!)* God Cares When I Hurt! *(God Cares When I Hurt!)* Awesome! Today we are going to learn about how we need God to forgive us. God cares about each of us, and He is always ready to help. God helps us by forgiving us. When God forgives us He lets go of our wrong choices and no longer sees our sins, the wrong choices we make. He sees what Jesus did for us and invites us into a friendship with Himself. That’s super!

Wow! Did you hear that? That sound means we have a Super Clue in our Super Box. I wonder what it could be? Let’s open the Super Box and see what’s inside!

(Open the Super Box and pull out the physical Super Clue or Super Clue printable.)

Oh no! Our Super Clue is a toy, but it looks like it is broken! What could we do with a broken toy? We couldn’t even play with a toy that is broken! I wonder how a broken toy connects to our Big Deal, “Help Is on the Way! God Cares When I Hurt!” I have an idea! Let’s put this back in the Super Box and send it over to our friends, the Super Crew, at the Clubhouse. They will know how to help us!

(*To preschoolers*) The woman in our Bible story today needed God to forgive her. Jesus knew everything about the woman, even her wrong choices. Jesus forgave the woman. We have all made wrong choices too. We need God's forgiveness, just like the woman in the story needed God to forgive her.

Our Super Clue, a broken toy, reminds us that we all have something else that is broken—our friendship with God. But God sent Jesus to help us! Let's say, "Help is on the way!" together! "Help is on the way!" Great job!

God sent Jesus to take the punishment for the wrong choices we make, called sin. Sin causes really big hurts in our life. But God sent Jesus to help us. God sent Jesus to forgive us and give us a new friendship with God! When we believe in Jesus and ask Him to forgive us for our wrong choices, He does!

That is a big deal! Let's say it together. I will say it first, and you say it after me. Help Is on the Way! (*Help Is on the Way!*) God Cares When I Hurt! (*God Cares When I Hurt!*) Awesome!

Let's pray and thank God for making a way for us to have a friendship with Him. *Prayer* is talking and listening to God. Let's all bow our heads and close our eyes while we talk to God so we don't get distracted and can focus on God!

(To preschoolers) Great, job friends! That was a super special Bible story! We learned that we need God's help. In our Bible story we heard about how Jesus helped a group of people who were hungry and needed food. Jesus took five loaves of bread and two fish, thanked God for the food, and then gave it to the people to eat. It kept growing and multiplying. There was enough food for everyone to eat! Jesus helped by feeding thousands of people with just five loaves of bread and two fish.

Our Super Clue is an ambulance. When we see an ambulance, we know people are on the way to provide help for someone. God cares for us and helps us too. An ambulance can remind us that God cares when we hurt. Let's say our Big Deal together. Ready? I will say it first, and you say it after me. Help Is on the Way! *(Help Is on the Way!)* God Cares When I Hurt! *(God Cares When I Hurt!)* Good job, everyone! When we fall down, bump our heads, or scrape our knees, these are physical hurts. Sometimes, though, we might feel sad, lonely, mad, or afraid. These are emotional hurts. These are hurts we feel on the inside in our hearts. No matter what kind of hurt we are feeling, we can know God cares about us.

Let's pray, which is talking and listening to God. As we pray we can thank God for His help and care.

God, thank You for helping us. You know exactly what we need and help us, even when we hurt. Thank You! In Jesus' name, amen.

This will also help our weekday volunteers in preparing the rooms for the next Sunday.

Pick Up Time

During this time, children may play with toys that are not already put away in and around the room until their parents arrive to pick them up. Once all children have left, please make sure to collect and put back any of the items that are left out in the respective places. The photographs around the room will help make sure we leave these spaces the way we found them. We are so appreciative of all you do!

Welcome & Connect Time:

Use this time to welcome children as they arrive! Introduce yourself, learn names, and help children learn their friends' names. Connect Time is an easy way to help a child feel included and part of the team right from the beginning. The purpose is to help kids meet other kids, connect with their leaders, and feel a part of the team. These "stations" are already found all around each preschool classroom. Building blocks, cars, baby dolls, or any of the other toys and manipulatives in the classrooms for kids to play with. Please feel free to pull out blank paper and writing/drawing materials as well as playdough and cookie cutters. All of these are available to you for use during this time. If you need any other items, please feel free to let Katie Grace or your hallway coordinator for the week know and they will work on next steps to secure those items for your room.

Craft/Game:

Preschoolers will use silly voices to tell the group their names.

Big Goal: Learn a new name.

Script: Hi, friends! *(Say in a silly voice.)* Did you hear my silly voice? *(Make a silly face.)* Did you see my silly face? Why are you laughing? Was that silly to you? I was practicing my silly voice. Do you think it was silly? *(Allow responses.)* Let's all play a game where we get to use our silly voices! It's called "Silly Voices Name Game!" What is our game called? *(Silly Voices Name Game!)* I want everyone to sit in a circle. We are going to go around the circle and tell our friends what our names are using the silliest voices we can. What are we going to say in our silly voices? *(Our names!)* That's right! I can't wait to hear how everyone is going to talk and say their names with this game. Let's do this!

We did such a wonderful job making our silly voices, and we were all so creative! We have an exciting time planned. We are going to learn about how God helps us. Our Theme this month is about helpers and helping others. Our Theme is *Help Is on the Way!* Let's say "Help is on the way!" together. Ready? "Help is on the way!" Good job! I can't wait to learn more about God's help. How about you? *(Say in a silly voice.)* That was fun!

Activity:

Preschoolers will build a community using blocks and talk about community helpers.

Big Goal: Share with friends.

Leader Prep: Print and cut out “Build A Community” printables, one per group. Tape the pictures of the community helpers to blocks.

Supplies:

“Build A Community” printable 1 per group

Adult scissors 1 per group

Blocks Several

Tape 1 per group

Script: Hello, friends! I’m so glad you are here today! I have a question for you. Have you ever heard of a community helper before? *(Allow responses.)* A community helper is someone in our community who does a special job to help us with many different things. Some keep us safe, some teach us, and some deliver our mail. You know, we have community helpers all around us—at the library, at hospitals, at grocery stores, and even at the firehouse. Let’s all work together and build a community. We can make houses, parks, the library, or even the doctor’s office. What are we going to use to make our community? *(Blocks!)* I also have some community helpers here. *(Show the helpers taped to the blocks.)* You can use these to move around your community. I can’t wait to see the community you build together.

This was so much fun working together. Everyone did a great job sharing ideas and sharing blocks with each other. Today we are going to learn about how God helps us. You know, one way that God helps us is by helping us share with others. If you are ready to have some fun and learn together, I want you to give me an air high five. *(Allow preschoolers to respond.)*
Awesome!

Big Deal Motions:

Help Is on the Way! *(Bring hands to mouth like you are yelling.)*

God Cares When I Hurt! *(Give yourself a hug.)*

Script: Today's Big Deal talks about how God cares for us when we hurt. God cares about us all of the time, but when we are sad, scared, mad, or worried, we can know that God will help us because He cares for us even when we hurt. Our Big Deal teaches us something important about God. It is, "Help Is on the Way! God Cares When I Hurt!" *(Say the Big Deal using the motions above.)* Let's say our Big Deal together. I'll say it first, and you say it after me. Help Is on the Way! *(Help Is on the Way!)* God Cares When I Hurt! *(God Cares When I Hurt!)* You catch on quickly! Super!

Did you hear that? That means there is a Super Clue in our Super Box. Our Super Clue is something that connects to our Big Deal, "Help Is on the Way! God Cares When I Hurt!" I am so excited to see what our Super Clue is. If you are excited to see what it is, give me a thumbs-up. *(Allow responses.)* Great! Let's open our Super Box and see what is inside.

(Open the Super Box and pull out the physical Super Clue or Super Clue printable.)

Our Super Clue today is a weather chart. A weather chart tells us what the weather could be like. It tells us if the weather outside is sunny, cloudy, rainy, or snowy. But I wonder how a weather chart connects to our Big Deal, "Help Is on the Way! God Cares When I Hurt!" I know some friends who can help us out—the Super Crew! These friends can help us connect our Super Clue to our Big Deal! Let's send this Super Clue over to the Super Crew at the Clubhouse.

(Place the Super Clue back in the Super Box.)

We can count down and press the “Go” button to send the Super Clue to the Super Crew. When I say, “Go,” I’ll press the button on this Super Box. You can pretend to press the button by pressing one hand on top of the other, like this! *(Hold one palm faceup and press the other palm to it facedown, like pressing a button.)*

Ready? 3-2-1 Go!

Play Bible Story Video.

Script: *(To screen)* Thank you, Super Crew! That is just what we needed.

(To preschoolers) We all need God’s hope. *Hope* is waiting and trusting that something good is coming. In our Bible story today, Elijah was hungry and didn’t have any food. He was hurting and needed God to take care of him. Elijah had hope that God would provide exactly what he needed because he trusted God. He knew that God would meet his needs and help him because God cared for him.

Our Super Clue today is a weather chart. When we look at a weather chart, we can hope that the weather chart shows us that there is a sunny day ahead so we will get to go outside and play. We need God’s hope every day. God’s hope helps us know that He is with us and cares about us, even when we hurt. Sometimes our hurts are on our bodies, like when we fall and scrape our knees. Other times our hurts are when we feel sad, mad, or lonely. No matter what kind of hurt we are going through, we can know that God cares for us, and He loves us!

Let’s say our Big Deal again together. I’ll say it first, and you say it after me. Ready? Help Is on the Way! *(Help Is on the Way!)* God Cares When I Hurt! *(God Cares When I Hurt!)* Good job!

Let’s have a time of prayer where we talk and listen to God.

God, thank You so much for this day You have given us. Thank You that we can hope in and trust You to take care of us. We are so thankful for You! In Jesus’ name, amen.

Theme Verse Motions:

Your Father knows *(Raise hands up with palms facing each other.)*

the things you need (*Bring hands down to shoulders making a fist.*)
before you ask him. (*Make praying hands at chest.*)
Matthew 6:8b (*Hold hands out like a book.*)

Script: We can learn about more about God and the hope He gives us in the Bible. Today's Theme verse is going to teach us about how we can know God will help us. Our Theme verse is from the book of Matthew. Let me show you where that is in my Bible. (*Open the Bible to Matthew 6:8. Point out the verse to preschoolers and read it aloud.*) Let's watch this video together to learn our Theme verse.

Play Theme Verse Video.

Script: That was great! God will help us through anything we are going through and take care of us. He knows exactly what we need before we even ask Him. It is so nice to know that when I hope in God, He will take care of me. This is an excellent truth from God's Word for us to remember.

Activity Page:

Big Goal: Provide an opportunity for connection.

Leader Prep: Print copies of the activity page for each child.

Supplies:

Activity Page 1 per child

Markers or crayons Several

Script: This activity page helps us remember some big things we've learned about today. As you color and work on activities, talk to a friend about some of your favorite parts of our time together.

Our activity page shows us a picture scene from our Bible story. Elijah, the woman, and her son were hungry, but God took care of them and provided the food they needed. The woman and Elijah hoped in God. God takes care of you and helps you too. God cares about us, even when we hurt. Sometimes our hurts are on our bodies, like when we fall and scrape our knees. Other times our hurts are when we feel sad, mad, or lonely. No matter what kind of hurt we are going through, we can know that God cares for us, and He loves us! Let's say our Big Deal one last

time. I'll say it first and you say it after me. Ready? Help Is on the Way! (*Help Is on the Way!*)
God Cares When I Hurt! (*God Cares When I Hurt!*) Great job!

Room Refresh & Clean Up:

Script: Okay friends, it is time for us to clean up! Let's walk around the room and find objects and toys that are out of place. We need to see where they belong and put them back! Look at the pictures around the room to help. This is an important way to show our love for our church.

-Currently, you're welcome to keep a few key items out for children to play with while they wait for their parents to arrive. Our goal in building this into our Sunday morning routine/schedule is to ensure that our classrooms are refreshed and ready either for the next service or to close out our Sunday morning. We want to encourage and teach our little ones how to take care of the church and instill that value in their lives. This will also help our weekday volunteers in preparing the rooms for the next Sunday.
