Participation Consent and Responsibility

I am the parent or legal guardian of the participant named above. I give permission for the participant to attend Texico Youth Retreat 2026 and take part in scheduled worship services, classes, recreation, transportation between scheduled activities, and other customary retreat activities. I understand that participation may involve ordinary risks of travel, lodging, recreation, illness, or injury. I certify that the information on this form is complete and that the participant may safely participate except as noted above.

I understand that Texico Youth leaders may restrict the participant from an activity when they reasonably believe it is unsafe or beyond the participant's disclosed capabilities. I accept financial responsibility for intentional damage or vandalism caused by the participant and understand that serious or repeated violations may result in dismissal from the event and parent or guardian pickup at the family's expense.

Emergency Medical Authorization

If the participant becomes ill or injured, I authorize Texico Youth event leaders to contact emergency services and obtain reasonable medical evaluation, treatment, hospitalization, and emergency transportation recommended by licensed medical personnel. I understand that reasonable efforts will be made to contact me first; however, this authorization applies when delay could endanger the participant or when I cannot be reached. I accept responsibility for medical expenses not covered by insurance and will promptly report any health change that may affect participation.
