What to Expect

On the bus - there are electrical outlets to charge your devices, lots of fun, plenty of conversations, meeting and making new friends

What to bring - comfortable shoes, layers (we are in the mountains in the Fall avg temps in the 50-70's), headphones if you want to listen to your devices (respect others), and a good attitude (traveling with 50+ people can have its moments).

COLORADO 2026 - THE TRIP OF A LIFETIME

A special thank you to the L.I.F.E. Ministry team that worked hard to put together this amazing trip. The cost of everything was higher this year, and they trimmed over \$600 off the cost of this trip to help it be more affordable. Thank you for your hard work.

PLEASE NOTE

Colorado 2026 has been designated as a Level 2 excursion/activity.

What does that mean?

- Moderate Pace: Comfortable mix of activity and relaxation
- Moderate walking will include uneven walking surfaces and fewer opportunity for breaks
- This level of trip is best for travelers who enjoy walking but need breaks and prefer a balanced itinerary
