Western Europe

Funding Update

I am officially starting my fourth week on FCA staff, and have had numerous confirmations that this is indeed where God is calling me to be. He has been faithful to provide, and I know He will continue to do so! I am currently 65% funded, which means I'm looking for a little over \$3,000 in monthly partnership. If you're interested in partnering with me financially, please reach out or click on the link below!

Upcoming Trip Itinerary

I leave on June 23 for a month-long trip to Europe. Below is what I'll be doing while I'm there:

- June 24-25 in Western Germany: Visiting Mutig Und Stark (read on to next page for details).
- June 26-July 3 in Krakow, Poland: I'll be meeting the interns who will join FCA from all over the world to run summer camps in Europe and Eurasia. I will also attend All Ability training, where we will learn how to make camps more accessible for athletes with disabilities.
- July 4-24 in Southern Wales: We will be serving hundreds of athletes from the UK by running sports camps. Please pray for God to work in mighty ways and for these athletes to be led to give their lives to Christ!

Praises

- My first (almost) month on staff has been going well, and my background and skillset have been immediately utilized on several projects!
- I have already been able to make an impact in my role, and continue to build relationships quickly with partners and staff members.
- I really love our West Europe team members, and God is moving in some big ways!

Prayer Requests

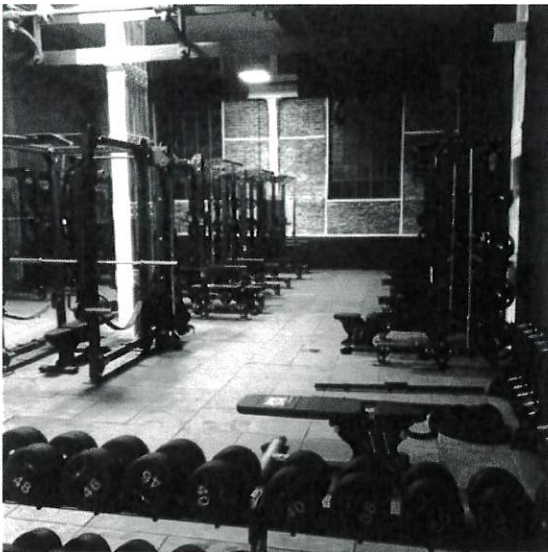

- I will be leaving for Europe on June 23 for a month. I will stay in Germany, Poland, and Wales, and will help lead a summer internship program and All Ability training during this time. Please pray for peace, safe travels, and for God to move in big ways in the hearts of the campers we work with!
- To reach 100% funding. I am still looking for \$3,000 in monthly support which would equate to 30 partners each giving \$100 a month.

Mutig Und Stark, "Brave and Strong"

While in the Netherlands last month, I met Marcus and Esther. They are a married couple living near the inner city in Western Germany. Years ago, they noticed that the children in their community were dropping out of school, joining gangs, or otherwise becoming victims of violence and neglect. They recognized the need for a safe place for these kids to feel needed and be loved, and they founded Mutig Und Stark, a weight-lifting, MMA, BJJ, and basketball gym. In English, the gym name translates to "Brave and Strong." They are determined to let every child train for free, and are focused on not only providing gym access and training but also homework help and regular tutoring.

Even more importantly, Marcus and Esther recognize the need for these children to experience the love of Jesus, and share regular devotionals every class and have testimony nights a few times a year. The community has strongly responded, and they are working on opening up a third gym location this year!

The Lord has moved in incredible ways, and as they looked to expand their gym space Marcus and Esther were connected with FCA partners in Germany. Later this week, my team and I will get to travel to their home and meet them in-person to discuss how FCA can partner with their ministry. Please join us in praying for God to make it clear how we can support them and give them clarity on how they'd like to partner with FCA. Ultimately, our goal is not to see FCA or Mutig Und Stark grow, rather to see the Kingdom of Christ grow and for more people to enter into relationships with Him!

This meeting with Esther and Marcus is the answer to over three years of prayer by the director of the North Global Division and the director of West Europe. They've been praying for God to allow FCA a way to start ministry in Germany, and Mutig Und Stark is exactly what they've prayed for. Join us in praying for God to move in BIG ways in Germany!
