

March 2026

Serving with Rangeley Baptist Church and Pastor Paul Steer and his team in the mountains of Honduras, delivering the Good News and food packages.

In January, Rick and Ruth lead a team of 13 from Rangeley (ME) Baptist Church to serve Pastor Paul and Tania Steer in **Honduras**. We served in numerous ways, including light construction, including digging of a septic system, VBS, teaching at a women's conference and University, and more. Overall, the trip was very productive, with many lasting relationships built. The church is also praying about a follow-up trip to continue the work by finishing the sewer project and water reclamation system.

In July, Christian Family Fellowship (CO), will be with us to go and serve with the Almendarez family in **Honduras**. We will be working with Pastor Victor, Rebeca, Isaac and their families doing mountain excursions to take food and supplies to families, activities with sponsored children, hospital outreach, and teaching.

In August, we will be leading a team from Rumney (NH) Baptist church to **Honduras**) again work with the Almendarez family in similar capacities. We have

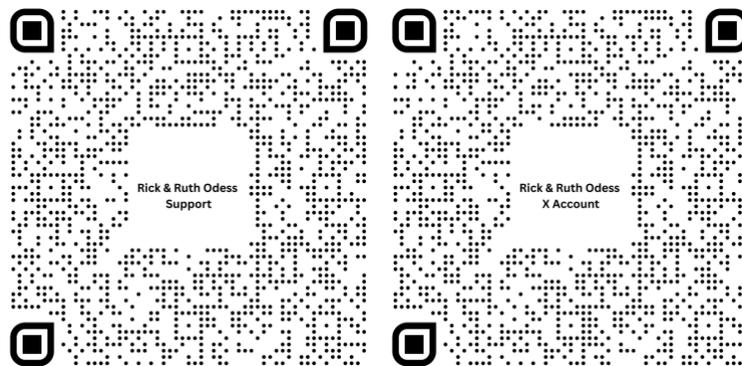

room for a few last-minute additions to this team, so please contact me ASAP if you are interested in joining us.

We are also looking for a small number of hard workers to join us for a “work oriented” mission trip to El Salvador in October. We will be providing much needed home repairs and renovations on the home of Pastor Joseph Romero and his family. We have known the Romeros since our earliest days with Missions Door, and this mission trip will be very meaningful and personal for us. Please consider joining us or donating to the X account below for this purpose.

We have multiple churches in the discerning phase, praying for God’s leading in team formation for possible mission trips. Would you please join them in prayer, both for them and yourselves, asking the Lord to lead His people in His mission in His timing?

Please pray and consider supporting our mission in any of the following ways:

- Contributing to our Support account. This helps us to be available to train and lead teams on mission trips.
- Contribute to our X account. This helps individuals who may not have the resources to finance a mission trip to do so, as well as providing materials (food, clothing, home repairs etc.) This also allows us to travel and serve/give when no teams are available.
- We have opportunities to serve in El Salvador, Peru, Cambodia, Guatemala, possibly Tanzania, and beyond. Will you join us?
- *We would love to come to your church to give updates and/or introduce ourselves and our ministry, including upcoming mission trip opportunities. Please contact us if you’re interested.*

Thank you for your love, prayers, and support.
