

# **Kindergarten Class SCHOOL SUPPLY LIST**

- 1 full sized backpack with a side water bottle pocket (no wheeled backpacks)
- 1 plastic school box labeled with name
- 1 bottle Disinfectant or Sanitizer Spray (ex. BoulderClean, EnviroCleanse, Clorox Spray)
- 1 pair Fiskar pointed scissors (not blunt)
- 2 boxes Crayola crayons – 24 count
- 2 boxes Crayola markers – CLASSIC colors
- 1 box Kleenex tissues
- 1 package Elmer's glue sticks (4 count or more – large or small sticks)
- 1 package Expo dry erase low odor markers (black only)

All students are asked to bring a water bottle with a flip straw to school each day (filled with water) to drink at snack and after playground. Please label with student's name.

All students are asked to bring individual snack each school day (nut free campus). Classroom snack will need to be packaged separate from lunch box for extended day.

Please note that I have listed specific brands and types. I have found these to be the least frustrating for the children to use.

Please purchase an extra box of Crayola crayons (24 count), Crayola markers (classic colors 8 or 10 count) and a pair of Fiskar pointed scissors to keep at home in case the items in the classroom become broken and for homework. Remember, these items are drastically reduced in price before school begins.
