

Masterpiece: Made by God

Psalm 139:14 NlrV

DAY 1

Gifts That Help

Read 1 Corinthians 12:4-5

God gives gifts to people. Some gifts help people build things. Some gifts help people teach. Some gifts help people encourage others. Each gift comes from God. No one has every gift. But everyone has something special that God can use. When people use their gifts together, amazing things can happen. One person may plan. Another may create. Another may help or lead. Together, they build something good. God grows the gifts He puts in us. As we practice, learn, and trust Him, those gifts become stronger. Your gifts can help build God's kingdom. They can help others know His love.

Activity:

Put washable ink on your fingertips, and make fingerprints on this paper. On each fingerprint, write or draw something you are good at. Remember: God grows His gifts in me to build His kingdom.

DAY 2

Working Together

Read Ecclesiastes 4:9

Get some blocks or plastic cups, and build a tower. Then, take down the tower, and ask someone to come help you build a tower together. Was it easier when someone helped?

God designed people to work together. When we combine our gifts, we can do more than we could alone. When people use their gifts together, they build something stronger. The same is true in God's kingdom. Every person has something valuable to offer. Your gifts may seem small, but they matter. God can grow them as you use them to serve others.

DAY 3

Growing My Gifts

Read Proverbs 22:29.

When you practice drawing, you improve. When you practice kindness, it becomes easier. When you practice helping others, you become better at serving. God can grow the gifts He placed in you. The more you use them for good, the stronger they become. Your gifts are not just for you. They can help others and build God's kingdom.

Reflection:

What is something you enjoy doing or something you're good at? How could you use that gift to help someone else this week?

DAY 4

Gifts for God's Kingdom

Read Matthew 5:14

God gives gifts so His light can shine through us. When you use your gifts to help people, encourage friends, or serve others, you show God's love. Your actions become a light that others can see. Maybe your gift is creativity. Maybe it's leadership or problem-solving. Whatever your gift is, God can use it for something bigger. So don't hide your gifts—God can use them to build His kingdom.

Prayer:

"Dear God, thank You for the gifts You placed in me. Help me use them to help others and show Your love. Teach me to work with others and grow the gifts You have given me. May my life shine like a light for Your kingdom. In Jesus' name. Amen."

God grows His gifts in me
to build His kingdom.
