Psalm 139:14 Nlrv

DAY

God Has a Plan

God made you for a purpose. That means God has a plan for you! You are not here by accident. You are here on purpose. God made you to help, love, and care for others. You have purpose!

ON-PAGE ACTIVITY: Write your name on the canvas, and decorate it with stars and doodles.

LOOK, Jesus sees me and cares about me.

DAY

I Belong to God

Before you do anything good, God already loves you. You belong to Him. That means you always have a place in His family. When you know God loves you, you can share that love with others.

KNOW that I belong to God.

Small Good Things

You don't have to be big to do good works. Even small acts can show God's love. A smile, a hug, or helping a friend all matter to God. He made you for these good things.

Ask a grown-up: "Who can I help today?" Do one kind thing together.

ASK God to help me do good works.

Thank You for My Purpose

God made you on purpose. You can trust that God knows exactly what He is doing. You are part of His plan, and that is something to be thankful for. He gave you a heart that can love and help others. When you share kindness, you show the world what God is like.

PRAYER ELEMENT: "Dear God, thank You for making me on purpose and for a purpose. Help me use my life to love and help others. In Jesus' name. Amen."

THANK God for making me for a purpose.

God made me for a purpose

God made me for a purpose!

In each circle, draw one way you can share God's love this week.
