COPY JESUS

directions

Before Prop Talk Begins

1. **Mount** the Laminated Picture of Jesus on the wall with sticky tack where all kids can see it.
2. **Mount** the sheet of tracing paper on top of the picture with sticky tack.

Prop Talk

Say: Friends, look! I see Jesus on the wall. Is He the best example to copy?

1. Kids **respond**, "Yes!"

Say: He is! When we learn about Jesus from the Bible, from our parents and leaders, and from church, we can copy His example. You say, "Copy Jesus' example," and I'll copy Jesus right here on the wall!

2. **Help** kids **chant**, "Copy Jesus' example," while you **trace** the Jesus picture with the marker.

Note: *Focus on tracing Jesus' face, first, so if kids get restless and you don't finish, kids can still recognize the picture.*

3. **Pull** the tracing paper off of the Jesus picture and **hold it up** for the kids to see.

Say: Look! I copied Jesus' picture! That will help me to learn about Jesus and copy His example every day, so others can see what Jesus is like, too!

4. **Say** "Say With Me" listed on the front.
5. For age 4, **ask** "Questions" listed on the front.
