Intercessory Prayer Ministry

This month I am sharing with you the various opportunities the Lord is giving us to fellowship through prayer in our church and community, along with the leaders you can contact to get involved. Be prayerful and watchful for whom the Lord might use to come alongside another person who struggles with praying and allows you to disciple them through prayer.

Those who already signed up on May 3rd and earlier you have been assigned to a group of which you can remain or choose another group. Everyone can be involved in more than one group. For instance you might want to be in a walking group and a home or church prayer group, or several walking groups.

I will meet with everyone who wants to be a part of these Prayer Ministries on August 30th right after the morning service in the Rena Steele Sunday School Class. All leaders and participants please be in attendance. Important information to be shared. Keep this copy of the Newsletter so you will know who to contact for what group.

Please be in prayer for all the leaders and the groups that God may do an amazing work in all lives in the church, community, and around the world. Pray for broken and contrite hearts, hearts of rejoicing, and meek and humble spirits that we might fellowship in the bond of peace through the fellowship of prayer. “Men ought always to pray and faint not;” Luke 18:1
