Prayer Ministry

Fall is ending, and winter is approaching. It's a time to give thanks and share God's love as we celebrate the birth of His Son, Jesus Christ. This season brings anticipation, hopes, dreams, and celebrations with family and friends. It's also a season of waiting! How will you use it? As you await each event and the new year, how are you waiting? Is it with hope and anticipation or with dread and sadness? Waiting is one of God's most beautifully disguised gifts. Many think waiting means enduring circumstances until whatever comes next is revealed. What does waiting mean? It can be defined as "staying in place with expectation; remaining stationary in readiness or anticipation; pausing for another to catch up; looking forward expectantly; holding back in anticipation; or maintaining an attitude of watchfulness and expectancy." These definitions reveal that we have a choice in how we handle waiting. Waiting on answers from God through prayer is no different! Waiting can be a spiritual discipline that helps us grow. When we ask God to take away our pain during a season of waiting and prayer, could we be seeking to escape the very process through which He desires to develop our character and conduct, producing fruit that will remain? As a church body, how are we waiting on God to reveal Himself to us? Are we focused on His desires or on the results we want for the church? Since our Abba Father knows our hearts and motives, why not ask Him whether our actions during this season of waiting bring Him pleasure or sorrow?

GOOD NEWS CLUB

"Do you think the work of harvesting will not begin until the summer ends four months from now? Look around you! Vast fields are ripening all around us and are ready now for the harvest." John 4:35. At the time of this writing, 14 students at the Good News Club have made a decision to ask Jesus into their hearts and to follow Him. We praise God that He is always at work and we get to join Him at work in the hearts of children. Please pray for these children to continue to grow in Christ. Two are following in baptism at their church. Two have already been baptized. We have given each child a Bible to help them grow in Christ and encouraged them to connect with a local church. We are thankful to be His hands and feet here in Red Bank, SC. Please continue to pray that God will keep the doors open to the schools so that we can continue to do His work. We are planning to be back in the schools in the Spring. Pray for all the leaders and their families to be healthy and safe. Pray for all school staff and all students for safety and good health. If you are interested in learning more about GNC and how you can get involved, please contact Margie Dennis at (803) 309-4173. Galatians 6:9 "So don't get tired of doing what is good. Don't get discouraged and give up, for we will reap a harvest of blessing at the appropriate time."
