PRAYER FOCUS:

BACK TO SCHOOL

Lord, connect believers, young and old, to Matthew 5:16; causing a boldness of light to rise within them. We decree their light will shine before others, that others may see their good works and glorify their Father in heaven. **Matthew 5:16**

Lord, we proclaim You will make colleges and universities centers for revival rather than for the tearing down of the Christian faith. We say You, Lord, will work through Christian groups and churches to bring thousands of young men and women to faith and discipleship so Christian students will stand strong for their faith and grow in profound ways. "Go, stand and continue to tell the people in the temple the whole message of this Life, the eternal life revealed by Christ. **Acts 5:20**

We ask for Your protection and we bind the spirits of destruction and death over our schools. We bind the spirits of confusion, fear, pride and deception over our education systems as a whole. According to **Isaiah 54:14**; our enemies stay far away from our students and administration. They live each day in peace. Terror does not come near them.

Father, we decree over all Christians involved in our school systems, God did not give them a spirit of timidity or cowardice or fear, but He has given them a spirit of power, love and of sound judgement and personal discipline, resulting in calm, well balanced minds and self-control. **2 Timothy 1:7**. Father we pray all Christians in our school systems stand for what is true and righteous and do not yield to fear or the culture and they do what is best for the students.

DECREE: In Jesus' Name, we decree education leaders, systems, and institutions are being filled with Kingdom values, wisdom, conviction and truth. We decree the Holy Spirit will use Godly teachers, professors and faculty members as a mighty force for good and we believe a new standard is rising up.

MISSION FOCUS

The start of the school year reminds us to pray for ministries that reach into our schools with the gospel of Christ. The Todd Becker Foundation is one of those ministries. It was birthed out of the tragic death of a promising Kearney High School senior in an alcohol-related traffic accident. Out of this tragedy, Todd's brother, Keith found the answer to his grief and questions through a relationship with Jesus Christ. Keith became a messenger of hope through a ministry that brings the light of Jesus into the public school arena. Today, the Todd Becker Foundation and its team travels throughout the Midwest sharing the tragic, yet powerful life and death story of Todd Becker in outreaches to public high schools, challenging students to fully surrender their lives to Jesus Christ as their Lord and Savior. Since its inception in 2005, over 100,000 high school students across 14 states have heard the Todd Becker Foundation's story and message, and thousands of commitments to Christ have been made.

TODD BECKER
FOUNDATION

Pray that God will use this ministry to reach thousands across the Midwest with the life-changing message of Christ.
