ASK IMPORTANT QUESTIONS

1. Do you obey God only when you understand, or do you trust Him in the waiting?
2. What habits do you need to establish to enjoy a more holy lifestyle?
3. What “golden calf” competes for your attention?
4. Have you allowed something good to become more important than God? (e. g., your kids/spouse, a job, serving others, etc.)
5. How are you/could you, encourage others to draw close to God this week?

IF YOU HAVE MORE TIME...

6. **Read Exodus 19:4–6.** What does God remind the Israelites in verse 4, *before* He asks them to obey? How might that change the way they viewed His commands? What about for us?
7. Jim and Jen reminded us to, “*Never lose your awe of God.*” What do you think it looks like to have a close, personal relationship with God that is still full of reverence and awe?
8. **Read John 14:15.** Practically, how is “obedience that grows out of love” different from “simply following rules?”
