

## 2026 STAFF SPOTLIGHT

As Angier Baptist Church celebrates the 60<sup>th</sup> year of ministry to children and families through our Child Care Center, let's also celebrate the Child Care Staff who diligently and joyfully love and care for the little children while teaching them God's Word. Staff will be featured each month through September.

These ladies serve as a light each day to the families who enter through our doorway. They are the face of our church, and who the families see as they start and end each day. Please hold them close in your prayers as they go about each day, serving as the hands and feet of Jesus.

Birthdays: February 29<sup>th</sup>

I am a mother to 3 amazing kids. ABCC is my first position in a childcare center. When I am not working, I spend time with my husband and kids. I enjoy arts & crafts, coffee dates with friends and doing things with my spouse and kids. I attend church on Sundays. I chose ABCC because I love being able to work with children and help them with their growth and meeting milestones.

# JUNE UPDATES

## WHAT'S HAPPENING

Summer is almost here, and we are so excited for all the fun and fellowship ahead in our Children's Ministry! We have several special events planned for our families, including Donuts with Dads, our exciting Wonderful Wednesdays, and Vacation Bible School—all filled with opportunities for children to grow in their faith, build friendships, and make wonderful memories together. We cannot wait to spend this special season with your family!

This month, our lessons will focus on the amazing truth that God is our Creator and that He made the world and everything in it with purpose and care. Children will learn that we are made in God's image, that God made a plan to save us through Jesus, and that He helps us make good choices every day. We are praying that each child continues to grow in their understanding of God's love and in their relationship with Him throughout the summer!

## WHAT WE ARE TEACHING

Take a moment to pause and get a closer look at the amazing world around us—trees, oceans, animals, and even you! What's even more amazing is that it was all created by God, for God. From the beginning of time, God created everything with care and purpose, showing incredible love for all of creation—especially us. The best thing we can do is give that love back by taking care of the world God has given us. In this 4-week series, kids will learn that God made the world and everything in it, we are made in God's image, God made a plan to save us, and God helps us make good choices!
