

A decorative border surrounds the central text, featuring various autumn-themed elements. At the top, there are pink, orange, and green leaves. The bottom of the border is composed of several pumpkins in different colors: purple, orange, light orange, pink, green and yellow striped, and dark green. The text is centered within this border.

HOPE  
FOR THE LORD,  
I WAIT FOR GOD MY SAVIOR;  
MY GOD WILL  
HEAR ME.

## ***A Note from Pastor Rudolph***

*But you will receive power when the Holy Spirit has come upon you,  
and you will be my witnesses in Jerusalem and in all Judea and Samaria,  
and to the end of the earth.*

*-Acts 1:8*

What a great blessing it is to be a witness of Jesus! He surely has done great things for us throughout our lives. We've seen the results. He created us and gave us growth in our mother's wombs and throughout our childhood. He gives us our daily bread, everything we need to live in this life. He gives us food and drink, house and home, family, animals, and all that we have! He has redeemed us, cleansing us by His blood in the water of Baptism, strengthening our faith through His body and blood in the Lord's Supper, and forgiving our sins every time we fail to live up to the standard we should. There are so many blessings we have witnessed in our lives.

And now, we get to tell people about it! We have been given faith through the Holy Spirit and now we share in the mission given to the disciples that Ascension Day so many years ago to be His witnesses in the ever-expanding mission field of Jerusalem, Judea, Samaria, and to the ends of the earth! We get to be the ones through whom the Master calls to people with the Gospel. Our witness begins with God's mission here and the first stop on our missionary trip is to our own families. Even our closest loved ones and friends may be struggling or straying. Talk to them about Jesus! Offer to bring them to church or give them a ride to Bible study. They may even be willing to give you a ride to church if you could use one! All it takes is a simple, non-confrontational question to start the conversation.

Then, our mission reaches out to our community. There are so many people who are spiritually lost in our tri-state area. More and more people are turning to crystals, horoscopes, and witchcraft because they are searching for something spiritual (just drive downtown in Angola). These satanic arts are not harmless and they certainly don't point people to Jesus. So let's give our neighbors Jesus instead. His power is pure. His Gospel gives life. We have witnessed it in our own lives!

There are so many ways to get started with our witness. We can introduce our friends to the church with Euchre. We can do simple things like praying with our kids, reading with our grandkids, and maybe even bring them to Church or Sunday School. The best witness is done in simple ways with people already close to you. Whether it is by the words we speak while we are living or the verses and hymns we choose for our funerals, we are God's witnesses to the people He has placed in our lives. He has given us His own Spirit to live in us and speak through us, and what a great blessing it is to share in God's work and mission here!

Pastor Jared Rudolph

## ***Thoughts and Musings from Pastor Wunrow***

Many people have no idea what IRA, RMD, or QCD means, but if you made any contributions during your working years to an Individual Retirement Account (IRA) you did not have to pay taxes on that amount and it grew tax free. However, once you become 73, and you start taking some of the funds out and pay taxes then-the Required Minimum Distribution (RMD). Tax law allows you to have part or all of the amount paid directly to a charity and it is not taxable to you. This is called a Qualified Charitable Distribution (QCD).

Depending on how your donation is directed, there may be tax benefits from that contribution. If you would like to discuss what those benefits may entail, please contact me, Pastor Don Wunrow, CPA, and I would be happy to discuss them with you.

October is

*Pastor*  
APPRECIATION MONTH

**Let's remember  
this month to lift  
up our pastor  
in prayer.  
THANK YOU  
for all you do!**

The call committee is currently working out some details with the board of directors to determine the next steps in the call process. There was quite a long delay in the English District response once Pastor Ahlersmeyer returned the call in July. The synod convention and vacations in the district office slowed the process down considerably. The call committee met in September and will meet again in October after the next board meeting to continue planning. Please continue to pray that God directs the decisions of the call committee, the board of directors and the congregation.

## Our *Merciful Mamas* group has a new name!

Merciful Mamas has a new name to reflect how our group has grown and how we want to move forward! We will now be called "Ladies of Peace," partially to reflect the name of our church, and also because we have the peace of the Lord as we gather and serve one another!

This month, we will be going on a fall color hike at Pokagon State Park on Sunday, October 11. Meet in the church parking lot by 2:30pm and we will carpool over to the park. After our hike, we will have fall themed refreshments available in the Fellowship Hall.

Contact Kelley Smith or Tirzah Rudolph for questions.

SLEEP IN HEAVENLY PEACE

## Together, we built not only beds but also hope!

In September, Peace members joined forces with the Sleep in Heavenly Peace-Steuben County chapter to create and build beds for area children. The Peace team was about to build 20 beds during the event, all accomplished in one day!

This bed building day was part of a larger nationwide event, with one goal in mind: making sure no kid in our community sleeps on the floor. Over 10,000 beds were built by 17,761 volunteers across the nation, ensuring each child has a safe place to sleep.

Thank you to our incredible volunteer team that came out and gave their time and effort, as well as those who generously donated bedding, pillows, sheets, and mattresses towards this project!

## Stephen Ministry

Question: So what takes place during a typical gathering of Stephen Ministers?

Answer: Trained men and women meet together on the 2<sup>nd</sup> and 4<sup>th</sup> Friday mornings of the month – rain or shine, snow or heat, twelve months of the year. This is in addition to meeting with their Care Receivers on a regular basis. Stephen Ministers are committed to this supervision schedule even if he/she does not currently have a Care Receiver. We open and close those meetings with devotions and prayer prepared by a Stephen Minister.

The intended impact of this holy time is deeply felt by our group and sets the tone for the “caring” for each other that is about to take place.

Each Stephen Minister “checks in” with a brief written report sharing only information relevant to inspiring the caring relationship without breaking the “CONFIDENTIALITY” agreement made on their very first meeting. No names are shared – each person is identified only as “my care receiver” and sharing only that which would assist fellow Stephen Ministers in supporting and caring for that Stephen Minister and care receiver.

That covers the first half of the meeting. Check the November Newsletter for “the rest of the story.”

For people who've lost a loved one, the Thanksgiving and Christmas season can be bleak. “Surviving the Holidays” is an event that offers support and coping tools on how to navigate the season. See Luanne Haupt or the church office with any questions or to pre-register.

*Feed my children...* Peace Lutheran Church fed 8 adults and 2 children last month through the generosity of volunteers who purchased food and or pantry items, prepared food, delivered meals and prayed to bless this ministry. We were blessed again with many extra donations of pantry and personal care items! One special request of chocolate milk from one of the children showed how something so little can give so much joy to the receivers.

Every contribution helps us in our mission to prevent and end homelessness and spread the word of Jesus. Our next opportunity to serve will be the week of November 16th. Contact Connie Sweeney with questions: 665-5146

# Dove Tales: KENNEL

*In peace I will lie down and sleep, for You alone, Lord, make me dwell in safety.  
Psalm 4:8 ESV*

Friends, I have lots to share. First, the joy of seeing old friends in the schools – that’s been five years! Some are new friends and it’s fun getting to know them – lots of smiles, hugs, wonder about how silky my fur is, questions about me and my name and Bible verse, Peace. My team loves sharing all the details. One class thought I should have a cat teammate named Love (a scary thought)! We went to every Fremont and Angola school plus Wee Creations, RISE (where I received a pipe cleaner heart), and KC Learning Center. At Carnegie Library I fit right in with a dog book display. We visited senior living and rehab facilities, memory

care homes, and Meijer. We went Sharon Aldrich’s memorial service to console her family, our Peace members, and her many friends. She was a Comfort Dog Team member and we miss her so much.

Sometimes we go on deployments to serve with other LCC Comfort Dogs. September we went twice. At The Chapel in Fort Wayne, we supported a mental wellness seminar about suicide. We also went to Valparaiso to meet with twelve other teams (1/10th of Comfort Dogs nationwide) to support Team Caleb, their congregation and community as they celebrated Comfort Dog Caleb’s life and legacy. I met babies, students, policemen, health care workers, probably four hundred all total. At the end of his service one of his team members “barked” a farewell. All thirteen of us dogs, sleeping on our mats, rose in unison and barked, too.

This leads me to my command of the month: *kennel*. It instructs me to go to my safe place – my crate at church or at home, or the car backseat when traveling. It’s a place of comfort and protection. Kennels for people sometimes confuse me (like wheelchairs and mobile carts, but not rooms). What is your safe place? The Bible says a kennel for people is being in the safe place God has provided.

My handler and Top Dog, Stephanie, is moving to her new kennel in Ohio. God has given her a new place of safety where He will bless her to do what she loves most – walking beside those who need her. We love you, Stephanie. You are God’s blessing! We also love our new Top Dog, Mark Bienz (I bet you know who he is)! We need more people on our team. Is God leading you to join us? I hope so! Contact Mark! Email Mark Bienz at [comfortdog@plcms.org](mailto:comfortdog@plcms.org) to find out how.

Love,  
Dove

We are so excited to begin collecting shoebox items for Operation Christmas Child year-round! Donations may be placed in the blue tote in the corner of the coat room, in the West Lobby.

*Suggested items for October include:*

- |                       |                          |
|-----------------------|--------------------------|
| • nail clippers       | • hair brushes and combs |
| • nail files          | • washcloths             |
| • small drinking cups | • toothbrushes           |
| • water bottles       |                          |

## Health & Wellness

## October: National Depression and Mental Health Awareness and Screening Month

October is National Depression and Mental Health Awareness and Screening Month – a crucial time for promoting understanding, reducing stigma, and encouraging individuals to seek help for mental health challenges. Depression is one of the most prevalent mental health disorders that is more than just feeling sad; it is a serious mental health condition that affects millions of people. It can manifest in numerous ways, including persistent sadness, loss of interest in activities, changes in appetite, and difficulty concentrating. Left unaddressed, depression can lead to significant impairment in daily functioning, impacting relationships, work, and overall quality of life.

Screening for mental health conditions is a vital step in ensuring that individuals receive the care they need. Early identification and intervention can significantly improve outcomes for those experiencing depression and other mental health issues.

### How to Support Mental Health Awareness

1. **Educate Yourself and Others** – Understanding mental health is the first step toward reducing stigma. Share data-based information about depression and the importance of mental health screenings with friends, family, and your community.
2. **Encourage Open Conversations** – Create a brave space for discussions about mental health. Encourage loved ones to express their feelings and concerns without fear of judgment.
3. **Promote Available Resources** – Share credible resources that provide support for mental health. Ensure that individuals know where to find help when they need it.
4. **Advocate for Mental Health** – Support initiatives that promote mental health awareness in your community. Participate in local events, campaigns, or online discussions to destigmatize the impacts of mental health.
5. **Practice Self-Care** – Taking care of your own mental health is essential. Engage in activities that promote well-being, such as exercise, mindfulness, and connecting with others.

The impact of mental health awareness is a year-round commitment to fostering understanding, compassion, and action. Remember, mental health is just as important as physical health, and everyone deserves access to the support they need to thrive. Together, we can make a difference in the lives of those affected by mental health issues and create a safer, more supportive environment for everyone.
