

Priceless Lessons from Gen W: An Exposition of Numbers

The Problem with Heroes

Numbers 20

The Lord's Day Morning

March 15, 2026

Christianity acknowledges our universal and innate desire for heroes. The best books and movies portray powerful people with the humility to sacrifice themselves and use their power to serve others, protect the innocent, and restrain the wicked. In real life, part of growing up is realizing that our heroes have disappointing flaws, some of them well-hidden. The Bible is brutally honest about even the best men and women in history. What should you do when your heroes fail you?

1. Support your _____.

2. Mind your _____.

3. Watch your _____.

4. Look to your _____.
