220 UPDATE & NEEDS

It's hard to believe that the holiday season is knocking at our door! With that realization, your 220 team of volunteers has been planning and working toward two main events: The Thanksgiving Basket Giveaway and the Christmas Market. In fact, both of those activities occur just weeks apart! Some ways you can join in this ministry:

- The focus on food donations for November will be any Thanksgiving side items, such as pickles, olives, gravy, cranberry sauce, or stuffings mixes. Decorative napkins or paper plates would also be nice. We would love to have those by November 16. This year, our neighborhood friends will have the opportunity to select their preferred items to go along with their turkey or ham dinner.
- On November 1, large boxes will be set up both upstairs and downstairs in church lobbies to collect new items to place in our Christmas Market. We'll accept "gifts" for both children and adults of all ages. For those who prefer to donate by shopping online and have the items delivered, an online code will be posted. The Christmas Market will be December 5 and 12. Our neighborhood friends will have a chance to purchase many of these for just a dollar to help them be able to give gifts for family and friends without breaking their budget.
- We can use extra friendly faces at any of these events, but especially during our Christmas Market. Some areas to serve could include setting up the market to look like a store, baking cookies to serve while our friends shop, helping at our gift wrapping station or taking gifts to cars. This is a heart-warming time to see what a blessing our store can be to our friends in what is often a stressful season.

Thank you so much for partnering with the 220 ministry to serve those in our neighborhood!

November 220 pantry dates will be November 7 and 21, 10am to 12pm.
Food Bank delivery will be November 9, 1-3pm.

GRIEF SHARE

We love the holiday season for many reasons, but high on the list is when families get together. Our family traditions and cherished memories make the holidays so special. But the loss of a much-loved family member can make these holidays a time of sorrow and a reminder that our loved one won't be present.

Whether it's the first, the fifth, or however many years it has been since our loss, the holidays can be difficult. That's why Highland Park offers the *"Surviving the Holidays"* Workshop. Just like road signs that warn you of curves and turns on an unfamiliar highway, "Surviving the Holidays" provides you help to navigate the holidays in a safe and healthy manner.

The Workshop will be held on *Wednesday, Nov. 11, in Room 114. It starts at 6:30pm. and will end at 8:00.* There will be children's and youth activities happening at the same time, so if you need childcare it will be taken care of. The only cost will be $10 for the guidebook you will use for notetaking. It also will provide many additional resources.

To register, please go to *Griefshare.org* and click on "Surviving the Holidays" at Highland Park. You will pay for the guidebook at the meeting. If you have questions, please leave a message for *Dave Dunson* on the Church Office line, *918-627-0783*.
