

Retrofit and installation process of the stained-glass windows in 2026

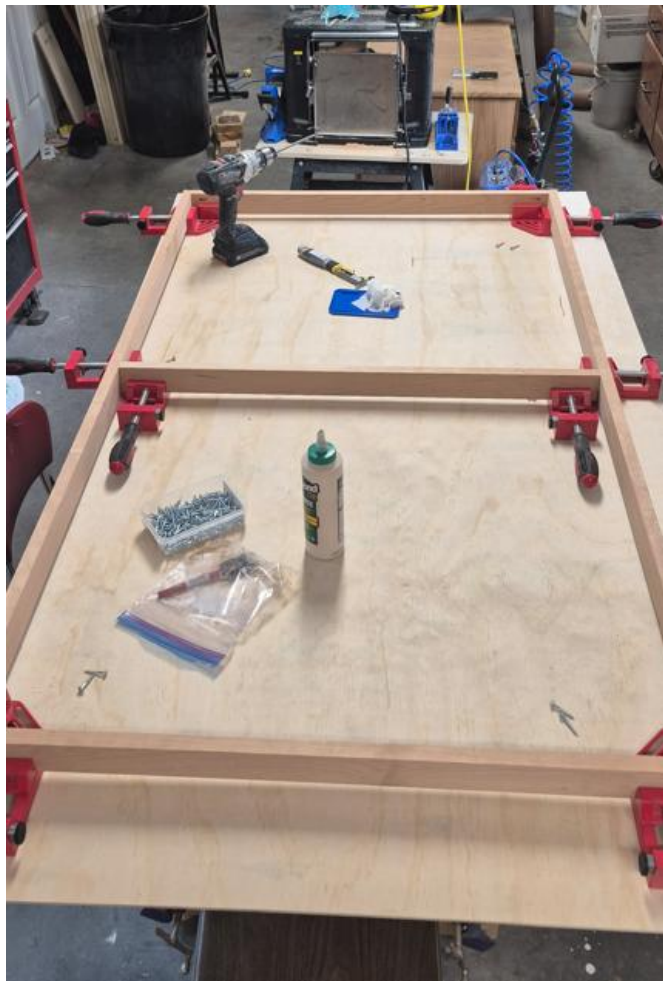

One window shown at Trinity prior to removal.

James Rath, Roger Weinlader, and Jim Weinlader. Weinladers brought the windows from Drayton along with some pews they were delivering to others.

Jim Weinlader and Rhonda Rath unloading the windows from Drayton.

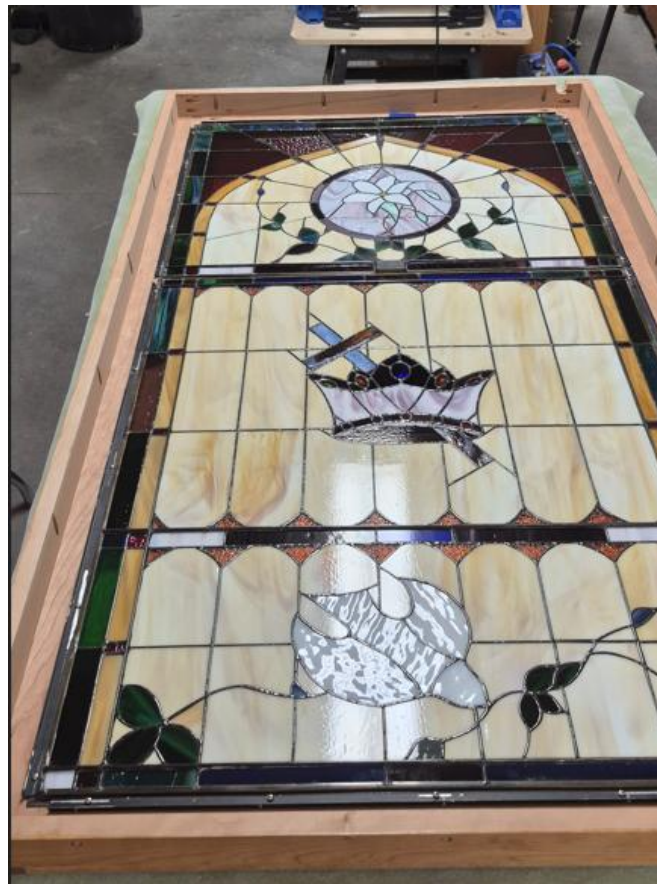

Part of a frame being assembled.

Frames and front faces.

Edge-lit LED panel mounted on plywood.

Back side of frame.

Transporting finished frame with stained-glass.

Ken Paul during installation of the frames

Ken Paul, Eric Rooke, Braden Rooke, and James Rath installed the plywood and LED panels.
Ken Paul, Rhonda Rath, and James Rath installed the frames. Rhonda polished the windows.
Eric Rooke and Chris Rooke completed the electrical.
