→ INTRODUCTION

WHAT IS THIS ABOUT?

Welcome to our Family Ministry Bible Study! It is my prayer that you will find this booklet uplifting and encouraging for you and your family. The goal is to construct an environment at home where the Word of God is talked among members of the family. With this study, you can do just that. In 5-10 minutes, you and your children can be participating in building on the foundation of Jesus in your home!

SCRIPTURE READING

This is where you will see different Bible verses to be read as a family.

WHAT WE'RE BUILDING

This is the focus of the lesson. This is the target we want to hit when talking within the family.

ACTIVITY FOR THE CREW

This is where you will see an activity that the whole family can do together to apply the lesson.

GOD'S BLUEPRINT

For Strong Families

Unless the Lord builds the house,
those who build it labor in vain.
Unless the Lord watches over the city,
the watchman stays awake in vain.
