What Is Prayer?

You might have a catalogue list of answers to that question. The confirmation students are instructed to say, "Prayer is the voice of faith." There cannot be a Christian that does not pray. The faith that the Holy Spirit has planted and nourished in your heart yearns to speak the Words that nourish it, water it, and keep it. The Word of God is inwardly digested and then at the Lord's direction, it fills our mouths and we declare his praise. Faith denies self and lays out the needs of others. Faith is charitable and loving. Faith is courageous and cries out in the darkest of nights.

When we separate ourselves from his Means of Grace, our prayers become few and far between. Apart from the very God that nourishes us, we grow weak and uninterested. Our focus turns from our God and our neighbor, inward. The Old Adam is more interested in the things of his own heart and his own desires. The New Man is drawn to God and the needs of others. The Old Adam divides and the New Man unites and pulls people together. Gathered around Word and Sacrament we are fed and nourished by the Holy Spirit who calls us by that Gospel.

As we begin the Easter season, let us rejoice in the life we have been given by Christ's resurrection. As we ponder the mercy and grace showered on us by our God through Christ's victory over sin and death, let us pray for one another. We are united to Christ and united to one another. Let us speak our praise, prayer, and thanksgiving to the living God who has first spoken to us. As part of your Easter celebrations, consider a specific time each day to pray for your church, for your fellow believers, the needs listed on our prayer bulletin, and your pastors. Discipline yourself to call upon our Lord at regular times and places. Teach your children how to pray and lead them in family prayers that they might have a form and schedule to follow.

The Christian prays because we have been commanded to do so, but we also pray because we have a promise that God will always hear us. Your God promises to always give an ear to your prayers. The Psalmist says, "But know that the Lord has set apart the godly for himself; the LORD hears when I call to him." (Psalm 4) Rejoice for the gift of prayer. Your words are heard by God and they avail much!

We have exciting news to share!

As you may have heard, all permits from the City of Houston to proceed with the building construction of the new Logic School facility are now APPROVED! In the coming weeks, our construction partner, Paradigm Construction will be proceeding with all due speed.

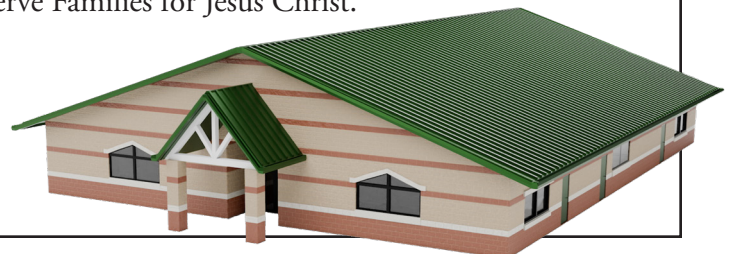

We are eager to see steel beams start rising from the site over the next few weeks! As construction proceeds in earnest, we now turn to finishing the job of fundraising for the Logic School Building.

The support from the entire OSL community has been strong from the start of this project. \$1.24M has been pledged so far, and we have received \$635K of these pledges. In addition, \$261K stand-alone donations have been made, and Our Savior Lutheran Church has committed more than \$1M through budgetary expenditures over the last three budget years. In summary, approximately \$2.5M of the estimated \$3.5M cost of the Logic School building has been pledged or received.

Now is the time to finish the work! We still need to raise over \$1M to fully fund the project. If you have not made a pledge to date, we ask that you prayerfully consider making a three-year pledge to fully fund this project. If you have already made a pledge, we would ask that you please consider extending or increasing that pledge.

We are designating Sunday, May 3, 2026, as PLEDGE DAY. OSL will host a special worship service dedicated to the ministry of Our Savior Lutheran School, and we ask that all pledges be made on or before PLEDGE DAY. To start giving now, please use the link below or the QR code on the attached Pledge Form. We look forward to celebrating with you at this special worship service. Please save the date and watch for additional details in the coming weeks.

Thank you for your prayerful consideration and support for Our Savior Lutheran School and the new LOGIC BUILDING! It is our joy and privilege to continue to Serve Families for Jesus Christ.

For your prayerful consideration...

Soli Deo Gloria!

Dear Families of Our Savior Lutheran Church,

We are now well into the second semester of the school year. As I write this, we have just returned from spring break, and the third-quarter grading period has come to an end. This moves us into the final quarter of the school year.

Our spring athletic teams are already busy with practices and games. This season, our 5th–8th-grade scholars have the opportunity to participate in softball, baseball, track, tennis, or golf. We are especially proud of our girls' softball team, which is currently undefeated. We invite our church family to come out and support our EAGLES on their home field. You can find the athletic calendar on our school website under the “Campus Life” heading.

Early in March, we hosted a wonderful Science and History Fair. Our scholars did a fantastic job proudly sharing their projects and explaining what they learned with parents, family members, staff, and friends. Our third-grade scholars especially shone with their “Living Wax Museum” displays and speeches.

March has also been a busy month for field trips. First graders visited the one-room schoolhouse and museum in Webster to learn what school life was like more than 100 years ago. Our 8th graders traveled to the Downtown Aquarium, where they participated in an in-depth, hands-on dissection exploring both the external and internal anatomy of a fish. Our preschool students visited the Nature Discovery Center in Bellaire to learn about native wildlife and their five senses. PreK students toured the newly opened Houston Fire Museum for a wonderful learning experience. Finally, our 4th graders visited the San Jacinto Monument and Museum.

At the end of March we joyfully celebrated the confirmation of our 8th-grade scholars on Palm Sunday: Brynn Burttschell, Iris Ferrarese, Stella Halbert, Paige Lawder, Austin Pugh, Harlow Schatte, and Wesley White. Please keep all of our current confirmands in your prayers as they take this important step in their faith.

Construction of our new Logic School building is now underway. We are excited to watch the progress each week as this much-needed space takes shape. We ask our church members to faithfully and prayerfully consider making a donation or pledge to the building fund.

Our Savior Lutheran School is the primary ministry outreach of our church. We thank and praise God for the tremendous support shown throughout our church's history, from building the original school to continuing to sustain and grow this important mission. Through the daily work of the school, we share the Gospel of Jesus Christ with our community and serve the families who entrust their children to us. Likewise, the school has been a great blessing to many of our church member families who have sent their children to our school over these many years.

God's kingdom grows through the mission of our school: Serving Families for Jesus Christ. We strive to live out Christ's command in the Gospel of Matthew: “You shall love the Lord your God with all your heart and with all your soul and with all your mind... and you shall love your neighbor as yourself.” (Matthew 22:37–39)
