SCRIPTURE SNAPSHOT

For forty years, the Israelites wandered on sandals that didn't wear out and daily doses of manna. Following Moses' death, Joshua prepares to lead a new generation into the Promised Land. This time, the floodwaters of the Jordan River stand in the way, but hearkening back to the Red Sea crossing, the people pass through on dry land and gather twelve stones as a memorial to God's faithful care for His people.

TAKING IT HOME

- ▶ **On the Go**—God told the people to build a memorial with twelve stones to remember His mercy and power at the Jordan River. What memorials have you visited? What are some ways that we remember Jesus' love for us?
- ▶ **At Mealt ime**—What was the purpose of the twelve stones Joshua set up that had been collected from the Jordan? Who has told you what God has done for you?
- ▶ **Something to Do**—God led the Israelites to a new land. Have you ever had to move to a new place? If not, do you know someone who has? Write a message to someone you know who does not live close to you.
- ▶ **Before Bed**—Have you ever had to move or had a friend move away? Take a moment to think about him or her as you pray together.
