

ANYTIME MISSIONS

Launch into serving others with these Anytime Missions!

Choose one OR more!

SPREAD SOME LOVE

Show God's love to others by making a card for someone. Include a note and a Scripture verse to encourage them.

GENERATION CONNECT

Visit a local nursing home and make a resident smile by singing carols, playing games, praying with them, and sharing the love of Christ.

*Parent will need to call ahead of time.

COMMUNITY HEROES

Pour into those who care for us by baking goodies, making a care basket, etc for local nurses, police officers, firefighters, etc.

PRAYER WALK

Take part in a prayer walk. Grab your friends, family, or yourself and walk through an area praying for your teachers, friends, and those that you know who are unchurched.

KIDS CARE

Be a good steward of the community God has placed us in by cleaning your area: raking leaves, picking up trash, recycling, etc.

VERSE VIDEO

With your parent's permission, record your favorite Bible verse using a cell phone. Text the message to someone letting them know they are loved by God and you are thinking of them!
