

CODY MOORE
Student Pastor

Hello Northside Family! I pray that you all are well. Seems like everyone I talk to has something or is getting over something. 'Tis the season for stuffy noses, headaches, and meds. The weather has seemed to have lost its mind. With all that being said, we as a staff are praying for the body here at Northside.

There are a few things happening with our Summit Students that I want to make sure you know about. First, we started three new Sunday Night Bible Studies a couple of weeks ago. Our girls and ladies have joined forces to do a bible study over the trinity. Our guys are doing a study looking at biblical characters that show how to be a man of faith. The last one is *New, Now, and Next*.

This one is something we will start offering every fall and winter trimesters, and it focuses on what a new believer needs to do next. Please be praying for our students and leaders as they spend the next several weeks in these studies. This is something we have not done in some time, and it is exciting to see how many are plugged into studying God's Word.

Second, RAD! Nine more days and we kick-off RAD Weekend. This year is going to be great! David Reeves from FBC Brownwood, TX, is leading us as our speaker, and a young, but talented, band called Safehaven will be leading us in worship. This year's focus is identity. We know you will be praying for the students January 28-30th, but If I could ask you for something... As you pray, pray for open ears, open hearts, and for God to move. Our students have so much going on, and a lot of things that get in the way of them listening and responding. Pray that all the distractions will be put aside, that God will be heard, and that lives will be changed. Right now we are looking for a couple of co-hosts that can help transport students, and maybe be willing to open up their homes for showers. If you are interested, please reach out and let's talk.

Number three, SUMMER! I know we have not even gone that far into January, and I am already talking about summer. This year we are going to camp June 20-24th, and we will be traveling to Glorietta, NM. Sign-up will open online soon. Again, I want to ask you all for something. Can you start praying for these dates and our students and leaders? Camp has a huge impact on students lives, and we have seen God move over and over through camp. This summer I expect will be the same, but I don't want to see the same. I want to see revival in our students, leaders, and church. So will you join me praying for this camp? I will be giving more details soon!

Church family, thank you for loving me and my family and allowing us to serve alongside of you in ministry. Let's keep our mission statement in mind as we journey together. *"We exist to make disciples that intentionally engage their community for Christ."* Let's be the light!
