

CODY MOORE  
Student Pastor

Hello Northside Family and Friends, I hope you have had a chance to enjoy the weather the past few days. Every time the weather starts do this crazy back and forth, it reminds me that we serve a God that has a plan and purpose. I hope we all remember these cool days during the middle of the summer heat.

Let's talk about RAD Weekend. It was amazing this year. Nick Maddox, from BT Church in McAllen TX, was the speaker. He was such a blessing to have. Laid back, calm and passionate in expressing how students could pursue Jesus. Our worship band was Joel Vaughn. I hope you all enjoyed him and his crew leading Sunday Morning. We also brought in a Mentalist and Illusionist, Grant Price. I love watching his shows and how he teaches the gospel

throughout. I also love watching people trying to figure out how he can guess some of the strangest things about them. We had 146 students, and close to 170 people involved in the whole weekend. We saw several students, from all five churches, give their hearts to Christ. Please keep praying for all the students as we keep working with them. We had an awesome time and we are looking forward to next year, January 26-28, 2024. Please pray as we revamp some things and get more people involved. I also want to give a huge shoutout and thank you to all the folks that helped with meals, allowed students in their homes, drove students around, and prayed for the weekend. It takes a lot of people and I am sure if I listed everyone I would forget someone. Thank you for helping and making this year's RAD Weekend a success!

Two other things I want you all to be praying about with me. In the fall we are going to be making some changes to our MidWeek (Wednesday night) service. I have been researching and gathering info and insight from people all over the place. I have been praying for months now about what our next step will be. Over the next few months, I will be meeting with each grade level and our parents to talk about splitting Junior High and High School up on Wednesday nights. We want to strive to meet every student where they are at, but that is difficult with the massive spans between a sixth grader and a senior. So, I am telling you all this now to ask for prayers and wisdom as we work through the "how" over the next few months.

The other thing is SUMMER is coming. That means camp is just around the corner. We will be going to Generate Camps at East Texas Baptist University June 5-9. Will you join us in prayer as we prepare for this great week that changes so many lives? We are excited to have Drew Worsham speaking and People of the Earth leading worship. If you would like to be praying with us send me an email, and I will add you to the list.

One last thing. Over the next few months, our MidWeek service will be having people come and share their testimonies. We have had two already and they were amazing. Please be praying for the folks that will share and for our students as we see and hear so many different stories. God is up to something great, and I hope that after this series our students will feel more comfortable in sharing their stories. I hope to see you all soon, and that you are blessed as we journey together.
