

CODY MOORE  
Student Pastor

Hello Church Family! This week is spring break for most of our students. You know what that means? Summer is just around the corner. From now to the end of the school year it will be a whirlwind of sports, testing, UIL events, and more. Spring is so busy! Over the next few weeks will you join us in praying for our students and their families? One, that they will not just survive this spring, but grow and flourish. Second, that God is moving and working in their lives as they rush from thing to thing. Since August, we have been doing a series on Wednesday Nights called "Be Bold." This series has looked at people that were bold and stood for their faith. Last week we finished another small series within this series, where we looked at

something that might get in the way of us boldly sharing the gospel. When we come back from spring break we will be in the book of Philippians. As we went through camp last summer, Philippians 1:20 kept rolling through my head, "I eagerly expect and hope that I will in no way be ashamed, but will have complete boldness so that now as always Christ will be exalted in my body, whether by life or by death." This is my hope for our students, that they will not be ashamed of the gospel and be completely bold to live out their faith for others to see.

As summer approaches we are gearing up for lots of fun and ministry. With VBS, camps, and some trips we will have a lot going on this summer. Last year I asked if anyone wanted to pray for camp, and I had several take me up on that. This year I would love to have some more people join us praying for camp. We will be going to Glorieta, New Mexico, June 20-24. This will be our second year with Generate Student Camps, and we are so looking forward to this week. If you would like to join us and pray for this summer, please send me an email, [codymoore@nbcvictoria.org](mailto:codymoore@nbcvictoria.org). I will get you some more information about camp and the students that are going.

Thank you Northside family for loving me and my family and allowing us to serve alongside of you! By the way, I will be graduating May 20th with my Bachelors in Ministry Arts from Stark College and Seminary. I can see the light at the end of the tunnel for this portion of school. I will jump into my masters in the summer, and hope to be done with that in a couple of years. Thanks for your prayers and support.
