

CODY MOORE
Student Pastor

Hey NBC Family! I pray that all of you are well. We miss all of you around here. I want to encourage you to take this time to slow down and refocus your thoughts, actions, and time. I don't have a crystal ball and don't know why this is happening, but we have a chance to see God do some amazing things. Please take this time to read your bible and pray. I want to also encourage you to be the hands and feet of God. I have seen so many people doing small things that are making huge impacts. Making masks, praying for their neighbors, cooking a meal for a family down the street. During this time people are looking for answers, and we have the chance to point them to Christ. So please be kind, loving, and Christlike.

We are trying to keep things as normal as we can on the youth side of things. We are still meeting on Wednesday Nights via Zoom. If you are not a part of our youth "groupme", contact me and I can add you. We do a Zoom hang Monday- Friday and our Wednesday night service is at 6:00pm. At this point we have not heard anything about camps or summer events.

We love and miss you all, and can't wait to see you soon. When we get through this and can be back together we are going to celebrate!
