

CODY MOORE
Student Pastor

Hello Northside Family! I hope that you all are doing well. I have been so excited seeing so many of you over the past few weeks, and hope to see even more of you very, very soon! I feel like there is a light at the end of the tunnel, and love the fact that we are gearing up for a summer that is going to be packed with some awesome things. A summer of training, camps, VBS, outreach events, and some new ministries is just a few weeks away! I'm so excited to be going to camp this summer, after a year of "different", having some things that will be normal. We are having to rethink our Junior High camp right now, UMHB had to cancel all camps this summer as they have four major building projects that are affecting most of its campus, but we will have information out soon. High School is heading to South Padre Island, June 21-25, to be a part of Generate Camps. We have been asking for folks to be praying over these two events. Camps are huge in the life of our students. It allows us to grow together as a family, and we see God move in some powerful ways. Will you please join with us as we prepare and pray?

We are also starting two new ministries within the student ministry - Deeply Rooted Girls Ministry and Impact Guys Ministry. These two ministries will be having some smaller events over the summer, building up to September when we will formally kick off these ministries. We know that there are times that our girls and guys need some time and space to just be themselves with their gender peers. Our girls have already had a paint night, and both ministries are having a night together this Thursday evening. Girls are meeting and talking about the Gabriel Project, and our guys will be having a burger and game night. These events will have a devotional as well as times for our students to grow together and be encouraged to be young men and women of God.

We are also looking to do some small outreach events, like a dinner delivery to shut-ins, prayer nights, and a few others we are thinking through and planning. If you have some names of folks we can bring a dinner to or help, please let me know. You can call the office or email me.

You may have also heard that we are going to be doing a lot of training this summer in so many different ministry areas. I cannot tell you how much I am looking forward to see how God uses our people in these areas! If you have felt like student ministry is a place where you would like to serve, I would love to talk with you and see where God may be leading you and just hear your heart!

I can't wait to see what God does this summer. Also, Senior Sunday is May 16 in the 11:00am service. If you have a senior, please register them at nbcvictoria.org/events.
