

CODY MOORE
Student Pastor

Hello Northside Family and Friends! I hope that all of you are doing well. I think summer is already here! School will be out next week and most of our students will enjoy this heat and the freedom summer brings. This last semester in youth ministry has been different. We had two different girl's bible studies, two different guy's bible studies, and a three part new discipleship program. It was amazing to see how our students responded, and we are looking forward to the refreshing summer.

Fall will be here before we know it. We are starting work right now for a few new and different things we will be doing. Please start praying for what the fall will bring, and that our students will be receptive to what God has laid on my heart for the focus of next school year.

Summer camp is just around the corner, and we are excited. Glorieta, New Mexico or bust. We are taking a group close to forty. I am praying that this group will grow closer together as a family and closer to God as we journey together. In a few weeks we will have some arm bands out in the worship center foyer with the names of our students and adults that will be on the trip. We would love for you to grab an arm band and pray for that adult or student during the week. We will also have a list of everyone if you would like to pray for each and everyone going.

Thank you for loving our students and their families and allowing us to serve along side you and their families as we see students grow and become who God is calling them to be. Please keep praying and encouraging our students, leaders, and families as we journey together.
