THOUGHTS ON THE JOURNEY

Today, we are honored to have Walter Jackson with us. Walter is the Executive Director of the Guadalupe Baptist Association. The GBA is an association of 56 Baptist Churches from Victoria and surrounding counties. We partner together for the purpose of missions. The reality is, we are stronger together than we are alone.

“ We partner together for the purpose of missions. The reality is, we are stronger together than we are alone. ”

Walter's role at the GBA is a diverse one. He serves as a pastor to pastors, a counselor, a consultant, and sets the vision for the association. When a pastor has no one else to call, Walter is likely getting that call. His is at times a thankless role, but an important one, nonetheless.

Since Walter is here this morning, it gives me a chance to share about the partnerships we have. Locally, we are partnered with the GBA. As it relates to the state, we partner with the Baptist General Convention of Texas. This partnership is much like the local association, only on a state level. It is a voluntary partnership that allows us to connect with several thousand other churches for the sake of missions and resourcing.

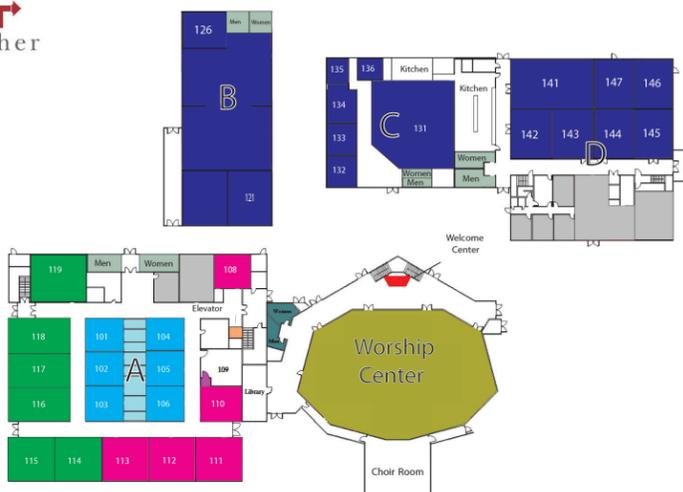

Nationally, we partner with the Southern Baptist Convention. This national partnership allows us to place thousands of missionaries around the world as well as in our own nation. It is a way for us to be involved at a level we never would be able to on our own. All these partnerships are exciting.

One fact to note: all these partnerships are voluntary. No one has authority over Northside Baptist Church except her members and our Lord, and hopefully we are submitted to Him. If we decided tomorrow to walk away from it all, we own our buildings, control our own money and staffing. As Baptist, we like to say, we are an autonomous body of believers.

Honored to be your pastor,

DARRELL
