

DARRELL TOMASEK
Senior Pastor

When someone decides that they want to improve their health, they will begin to eat balanced meals and exercise. These balanced meals provide the nutrition you need, and the exercise provides the resistance necessary to grow in strength. Just as one cannot get out of shape in a day, often it takes time to get in shape. Amazingly, our spiritual lives are not much different.

If we want to become the Christ followers that God would have us to be, we need both a balanced diet and good exercise. Obviously, I'm not talking about literal food and exercise, but figuratively. Each of us need to be fed through Bible Study, Prayer, Worship, and Fellowship. We also need to get spiritual exercise through serving.

As Fall looms around the corner, there are a number of ways for you to both feed yourself and to exercise. We have a number of activities that will begin soon. On Wednesday, August 10, our Wednesday night activities for both youth and children will kick off. On Sunday, August 14th, we will launch our Sunday night activities and Journey Groups. These, coupled with our normal Sunday Morning Bible Studies and Worship, give you a great opportunity to feed yourself.

As for exercise, there are always opportunities to serve. On August 15th, 20th, and 21st we will be having Upward Football Evaluations. We will have hundreds of kids and families from the community participating this season. It is a great chance to meet folks, talk with them, and maybe even invite them to church. We also have opportunities to serve on the First Impressions Team, The Security Team, in Awana, and with the youth. As God calls, you respond.

I trust that this is going to be a great Fall. However, for that to be true, we need you. We need you to show up and be a part. We need you to pray that God would move in powerful ways. We need you to tell your friends and neighbors about Northside. And we need you to simply come and be a part of this family we all so dearly love.

Honored to be your pastor,

DARRELL
