

DAVE BENEFIELD
Children's Pastor

I just want to take the time to say thank you to all of the volunteers that serve in Kid's Ministry at Northside. This ministry could not be successful without you. God has been so good to us this summer and fall by providing us with great volunteers. This year it is really exciting to see how God has blessed the Awana program with a great team of people that serve and love the kids every week. If you do not know what the Awana program is, it is an hour and a half discipleship program where 3 year olds to fifth grade memorize scriptures and the meanings based on Christian doctrine. The time is divided up between handbook time, council time, and game time. This program is for all kids at Northside and the community to attend.

We still need volunteers to help once a quarter in Kid's Church. Kid's Church is a Sunday morning, high-energy worship service designed for Kindergarten-5th grade. There is a sermon, a memory verse, and a praise and worship time to reach kids where they are. A volunteer sits with the kids and monitors the door during Kid's Church. There is no lesson preparation or teaching you have to do. If you can help, contact the office or email me at davebenefield@nbcvictoria.org.

Operation Christmas Child is just around the corner. This is an outreach that offers families a way to participate by making Christmas boxes/gifts and sending them out through Samaritan's Purse to children all over the world. Samaritan's Purse uses these boxes as an opportunity to share the gosepel with children, as well as meet some of their physical needs. For the month of September, we are collecting pens, pencil sharpeners, and combs. If you already made your box, feel free to drop it off at the church office along with any collected items.

Fall Festival is coming up October 31. If you want to be on the Fall Festival team, please let me know. We are having a planning meeting this month. The Fall Festival is a great outreach ministry that invites the whole community to the church. The festival has games and booths that are free to the communtiy.
