

DAVE BENEFIELD  
Children's Minister

Thank you so much to everyone that was involved and helped with the Fall Festival. We had a great turn out from our community. We had 1,200 people at this year's festival and over 200 requested information about our church. Please be praying as we send information and reach out to these families.

Every year it is always a great blessing to watch our kids learn how to serve in packing boxes for Operation Christmas Child. Thank you Northsiders for all of the supplies, help, and boxes that were given. It was exciting to watch our kids during Awana pack many Christmas boxes. Our kid's ministry is already looking forward to serving on this mission project for next year.

We are seeking volunteers in Kid's Bible Study. We are looking for a team of two people to teach one of our pre-school classes. The qualifications are passing a background check, filling out a children's ministry application, and being able to love on kids. We have a great curriculum that is very user friendly whether you are a first timer or a veteran to kid's ministry. We are also looking for volunteers that can be assistants to our regular teachers. Bible study teachers are responsible for teaching the curriculum each week. Teacher assistants are responsible for helping the teacher in the classroom with kids and activities. It is not necessary for an assistant to teach when the main teacher is out because a sub can be supplied. Our goal is to have two adults in each class for safety, security, and accountability. This is a great opportunity to help build the foundation of our kids and the future of our church. If you are not serving anywhere, please prayerfully consider being a teacher or an assistant in Kid's Bible Study (Sunday School) Sunday mornings at 9:30am. Join us in this ministry at Northside, and watch kid's come to Christ and grow in Him.

I am looking forward to working along side of you in our Kid's Ministry.
