Nothing Is Impossible with God

FRIDAY · DECEMBER 4
READ Luke 1:26-38

Mary received news that would upend her expectations: she would bear the Son of the Most High. Her question was understandable. The angel's answer turned her attention from what she could accomplish to what God would do. 'Nothing will be impossible with God' is not a guarantee that every desire of ours will happen. It is a declaration that God's saving promise will not fail. Mary's response shows a beautiful posture of faith: she receives God's word even without knowing every consequence. We, too, can say yes to the Lord's call because the God who comes near in Jesus is trustworthy. Faith is not having all the details; it is trusting the One who does.
