**Who is Jesus?**

**Story:**

★ **Introduction & Story:**

Jesus is God's son. Remember at Christmas we celebrate Jesus being born in Bethlehem? We celebrate that God sent us his son that day. Jesus was a person, but he was also God. God is divided into three persons. Father, Son (Jesus), and The Holy Spirit. The three parts work together perfectly.

God sent Jesus to us to teach us how to live. We don't want to obey him just because we should. We want to obey him because we love him and want to make him happy.

He showed us what the Father is like in the way that he lived and loved us. He died to take our sins away so that, if we believe in him, we will be with him in heaven someday.

Jesus is our friend. He is with us everywhere we go. He loves us very much.

★ **Connection to God's Overall Story/Plan:** Jesus was there when God created the world. Jesus saves us when we need help. Jesus will be there in Heaven.
