JULY 27-AUG 2, 2026

Monday

Ramazan & Shamsia: Pray as God leads.

Ramy & Ruba: Pray as God leads.

Ric & Frieda: Pray for Carlos and Sandra, our newest SEPAL USA missionaries. They reside in Miami, Florida. They are retired but want to work part time with us. Pray for Ely and Lidia as they continue to wait for the USA to grant them their work visas. Presently, they are residing in Canada while Lidia, a nurse, is finishing a degree in Hospice Care. Ely will spearhead our Portuguese speaking ministry in the USA. In May of 2027 we will be sending our first international missionaries. Orlando and Mariela have been assigned to work in Colombia. They are in the process of raising their support. Continue to pray for the Disciple Making Ministry in western Cuba.

Tuesday

Rick & Kim: Pray as we travel with a church from here in Brazil to do our final kids camp of the season. We're expecting around 220 kids. Pray for safety, fun, but most of all many will be challenged to follow Jesus.

Ryan & Erica: Pray for Ryan as he hosts a team from a camp in Alabama this week. Pray for El Refugio as we prepare for our two weeks of adventure camp in August. Pray for our family as we are dealing with various health issues and appointments. Pray for El Refugio's local finance system that was hacked, that we can get it up

and running again.

Sam & Amanda: Prayers appreciated for our daughter, Bella. Since breaking her ankle two years ago, she has had multiple re-injuries which is frustrating for such an active, athletic girl. Praise God for many short term volunteers this year at the hospital, in particular those who can provide coverage so our full time doctors can take a much needed break. They have been a tremendous help.

Wednesday

Shannon: Pray for our service to those households outside the Church, that we are a light for the Gospel. Thank God for His provision and pray for the "Following Jesus Together" camp for 8 survivors of human trafficking with their young children in Romania this month.

Sheila: Praise for the 25 new grads from ISTEEL that received their various degree diplomas on July 18. Pray for my online classes over the next 5 weeks with master's degree students as we focus on discipling and mentoring. Continue to pray for the process of choosing new leaders for the Evangelical Alliance of Angola that is the owner of ISTEEL, that God's will be done and the best people for the role be chosen.

Stephen & Peggy: Pray for my official transfer of the Clinical Directorship here at CEML over to my colleague Dr. Sam Fabiano. The ceremony takes place on Friday, August 7.

Thursday

Steve & Anthea: Pray as God leads.

Steve & Marissol: Pray as God leads.

Friday

Steve & Melinda: Pastor Peter in Kenya is leading the Akira church plant and now leading a new church plant called Canaan. Pray for him to be able to support his family. Neither church is able to help him financially, so he needs to find a supporting church and/or find part-time work.

Stirling & Donna: Jeffrey and Bree are submitting their visa applications this week for the third time. Pray for a speedy issuance of the visa. They have been in limbo for 2 years waiting for a visa.

Saturday

Stuart & Sindia: Pray for us in working with a team to plan the next Old Testament books for the Study Bible. Praise God for the launch of the New Testament of the Study Bible!

Sue: Our July camp month continues. Praises for an amazing first week of camp with 14 coaches and 51 kids. Pray for the college students who volunteered to coach, that they will be open to the Gospel. Pray for the remainder of the summer, with another week of camp, and then travels to meet with our friends in further away cities, to help them take steps in their faith and be an influence on many others.

Sunday

Tim & Jenn: Pray for resolution to the escalating conflict in the region and for the Gospel to advance in this tense time. Pray for Tim as he preaches and shepherds the church. Pray for our family to grow in grace and delight in Jesus.

W & J: Pray for a Latin American team that is raising support and will be moving

into our region. Pray for more workers, including an administrator, for the French international church network.

Pray for our Third Culture Kids (TCKs) and Senior Missionaries.
