

Global Intercessor

JUNE 15-21, 2026

Monday

Daryl & Leah: We are in the final stretch of school which ends July 10. Pray for stamina and strength for students and staff to finish well. Pray for our family as we pack up, say goodbye, and transition back to the US. Pray for all the pieces to come together for this move and for meaningful time with those to whom we have become close.

David & Beth: Pray as God leads.

David & Debbie: Pray for our grandson, Wyatt, who is here in the Spanish school system. Wyatt is working hard on his studies, but the teachers do not help. Pray for his encouragement, his perseverance and his trust in God. Pray for our daughter, Tafie and her husband, Christian. They have felt the Lord's call to go to Spain. We praise the Lord for what He is doing in the lives within the church I pastor, but continue to need His wisdom. Pray with us.

Tuesday

David & Cathy: Pray as God leads.

David & Cindy: We are making good connections with Turks and Central Asians outside of our ESL classes and community. Some live in neighboring towns and we plan to visit them this summer. Christar's financial director just informed us that our mission account is below zero, meaning we are in debt and it is getting worse. May the Lord provide.

David & Marilyn: We are counseling 5

couples with different issues. Pray we will be able to listen well and respond wisely, and that they would follow Biblical principles. Pray for our oldest granddaughter who will be taking a gap year working at various places, then attending university in the States. Pray that the Lord will overrule Satan's efforts to divide our local church over a legal issue between two of the church families.

Wednesday

Dorothy: This month the German speaking international church plant had its first church service. Pray that the church plant would grow. Pray for the church leaders, and for unity and love among all members. On June 11, the Navigators and a few other ministries will host a lecture at the university on faith and science. Pray that students will get connected to the body of Christ, come to know the Lord, and be disciplined.

Efthemes & Eirini: We are dealing with many people's lives and very challenging conditions. Pray for our physical health and strength as we continue this work. Pray for a ministry car, which is an important need for outreach and ministry among the refugees.

Frank & Anna: Pray for Cambodian churches as many families are in need of food and shelter, with thousands currently staying in refugee camps. Pray for Frank as he prepares for an upcoming online training launch and for his

upcoming speaking engagements at two local churches (6/19-21).

Thursday

Grant & Jenna: Pray for Grant, who is participating (online) in budget meetings with Asia ministry leaders, and for Jenna volunteering at VBS in their local church. Pray for wisdom to prioritize needs that align with TWR's strategic mission.

Greg & Anne: Pray for our family as we finish getting everything ready for our home assignment. We leave June 26 and will be traveling to over 30 states in a 6 month period, visiting family, churches, and supporters.

Hans & Stacy: Pray for our head translator and his family. They are undergoing persecution; just this past week the translator's son was arrested and put in jail without legal paperwork to make that happen. There are those who are trying to help bring this to an end, and now they are being threatened. This is placing a great strain on the family. Pray for an end, strength to endure, truth to be evident to all, and restoration in the nature of Job's story.

Friday

J & K: We are wrapping up another semester of teaching Spanish to Muslim immigrants. As part of our graduation, we will give them the Gospel of John. Pray that they read it and seek Jesus. Our social media continues to garner views all around the state. About 2000 people have really been interested in our content about who Jesus is, about 5300 have gone from our ads to our profile to investigate more, and overall 312,000 people have seen some of our content. Pray that those who are hungry and searching would message us so we can begin a deep conversation with them.

Janet: Pray as God leads.

Jay & Carolyn: Pray as God leads.

Saturday

Jessie (& Callum): Praise God for a safe arrival of our newborn daughter, Eden. Pray for our church as we plan and prepare for our annual outreach week in August. We want to be salt and light among our community for His glory.

Jim & Kimberly: Praise that Abby is enjoying her summer internship in Washington DC. Pray for Caleb and Kelsie looking for housing as they move to St. Louis for medical school; for Hannah expecting a baby girl July 17, and her husband Caleb looking for a HS math teaching job for the fall. Pray for us as we begin a 6 month home assignment to connect with supporters, raise additional support, work on various projects, and take time to rest and be refreshed.

Sunday

Joe & Emily: Pray for Jonah as we're still trying to figure out why he is vomiting so frequently. Pray for me (Joe) as I was just diagnosed with diabetes and am working hard to stabilize my blood sugar. Pray for the seven new missionaries I am supervising, that I would help guide them through the ups and downs of partnership development. Pray for God to use them (and me) in mighty ways to advance Bible translation.

John & Alisa: Pray for Layla and Kayleigh as they will be in the Philippines this summer for 4 weeks doing an evangelistic and service mission. They leave on June 14. Pray for us as we prepare for leading an evangelistic and discipleship mission to Thailand for 4 weeks. Pray for all the logistics and smooth summer travels.

Pray for our Third Culture Kids (TCKs) and Senior Missionaries.
