

# Global Intercessor

MARCH 2-8, 2026

## Monday

**John & Susan:** God has brought to us three interns for this winter term: a young couple with a four month old and a single young man. Pray for them as they seek God's guidance for their futures. Pray for our preparation for home service May 12-Dec 2.

**Jon & Kristi:** We are asking God to reveal Himself to our Musl\*m friends during the month of Ramadan. Pray for Gospel conversations and open doors. Lift up two young guys at one of the local mosques that had many questions about Jesus and a new Moroccan family that have recently heard the Gospel for the first time.

**Josh & Mindy:** Pray for us as we end the school year and change teaching jobs. Pray we would say goodbye well. Pray for Joy as she says goodbye to Josh's grandparents who came to visit - it was a wonderful time. Pray our new rental house will be finished soon. We need to move by the end of March.

## Tuesday

**Juan & Rose:** Pray for our community as they fast and seek after God in a different way this month. Pray that they would recognize the God who is reaching out to them with his love, care, and peace. Pray for our new coworkers who have arrived and are adjusting to life in Lancaster. Pray for a house and church for them and for good connections to the

Afghan community.

**Lance & Kathy:** Praising God for positive time with family that came to visit us. Continue to pray for the Lord to move in their hearts.

**Laura:** I have made it back to USA safely. Pray for safe travel around USA and good connections with family, friends, and supporters. Pray for a new team member who arrived in East Africa this month from Germany, that she will settle well and adjust to the heat and humidity.

## Wednesday

**Lindley:** We have had to pivot our international ministry strategies unexpectedly due to some realities we recently faced. Pray for our new event, Conversation Cafe, a place where we talk about deep topics that hopefully will lead to the Gospel.

**Louis & Janet:** Praise that our new staff is serving their leaders and schools well. Pray for discernment and wisdom as we begin preparing for and inviting others to our annual banquet on May 3. Pray for guidance for Janet's mom's ongoing care. Pray for Louis as he and his siblings navigate the loss of his younger brother.

**Maggie:** We are just over halfway through our seven-week Children's Ministries Institute®, where we are training 21 new CEF workers. Praise the Lord for their diligence and dedication. Pray for continued strength as we transition to focus on equipping them as

instructors. They have classes, practicums, and many written lesson plans still to complete. To God be the glory!

### Thursday

**Mark & Annemarie:** Pray for the details, logistics, attendees, and needed funding for training in Latin America this spring. We are coordinating with Mesa colleagues for a training in Panama and in Peru. Continue to pray for Annemarie's sister to gain strength and motivation for her recovery following an unexpected health issue last year.

**Matt & Anabella:** We continue to wait on the Lord and place the radio repeater application in His hands, praying for favor, open doors with authorities, and that each future tower would carry the hope of Christ to those still waiting to hear. Praise God for the Brazil trip — it was amazing. We did the initial launch of the new app for river communities. We are expectant to see how God will use it to bring hope, truth, and encouragement across the Amazon and beyond. After meeting with missionaries from the communities at the retreat, there is a need for 200 more solar-powered MP3 players. Pray for God's provision, willing partners, and that each player would be used to share the Gospel and help many grow in their faith.

**Matt & Karen:** Praise God for fruitful times of ministering to global workers at debriefing retreats in February. Pray for workers who have been evacuated from their field of service due to security challenges. Pray for deep healing, restoration, and a sense of God's leading for future ministry for many who have been displaced.

### Friday

**Mike & Julie:** Pray as God leads.

**Mollar & Michelle:** Pray as God leads.

### Saturday

**Nabil & Lena:** Pray for the outcome of Night to Shine and for the students, who were so happy yet overwhelmed by the experience. Pray for the parents and all who attended—that God would work in their hearts and provide them with the strength and wisdom they need to care for their children.

**Paul & Jan:** I will be teaching on March 1-4 a series from Colossians at a church in Schweinfurt. Our staff will be attending a European-wide staff retreat from March 5-8 in Budapest, Hungary. A good time for encouragement, learning and fellowship.

### Sunday

**Pete & Debbie:** Pray for the TWR360 redesign and media asset manager project. Pray for TWR to connect with listeners on the radio or internet. Praise the Lord for the many partners who support us in so many ways! Praise and prayer that Emily now has her driver's permit. Pray for us to settle into our home and connect with our new neighbors. Pray that we can find an affordable vehicle. Pray for us to continue shepherding our children well. Pray for Pete and Debbie's ministry with the elementary, middle, and high school students.

**Rahul & Lorette:** Both our daughters are now studying in South Africa, while we'll continue with the work in South Asia. Lorette will move back home, after living and teaching for four years to support our daughters during their final school years. Pray for all of us during this time of transition.

**Pray for our Third Culture Kids (TCKs) and Senior Missionaries.**
