MAY 18-24, 2026

Monday

Daryl & Leah: Pray for the rains in Kenya. Two years ago we had massive landslides that devastated the area. Pray for enough for the crops but not so much that it causes flooding and landslides.

David & Beth: We have a draft of Matthew from the AI tool, Scripture Forge. It's a useful first draft. With each new piece edited and entered, the drafts of new books will become better and stronger. Continue to pray that the Word will impact and change lives in Sunrise.

David & Debbie: Pray for the continuing impact of the Holy Spirit on the lives of the 50+ young people who attended the retreat at the Los Naranjos camp in southern Spain. Ask God to use them in the coming years to reach others for Jesus. May the Lord multiply the impact made in their lives for His glory.

Tuesday

David & Cathy: Pray for the Psalms to continue being shared and well-received on social media in Central Asia. Lift up colleagues, both national and expatriate, who are experiencing spiritual attacks related to their work in Bible translation. Pray for us to walk closely with the Lord, our eyes fixed on Him, and our ears attentive to His voice.

David & Cindy: Pray for our ministry to grow and expand into our towns in spite of summer coming and people beginning to travel. Pray for our students

to consider our sharing of Gospel truths. Pray for our finances because we have a negative financial account.

David & Marilyn: For the last year and a half, David has had severe head pain that only lasts a few seconds when he sneezes, coughs, or is jolted. He has seen several doctors/specialists. He has had an MRI and CAT scans that show nothing, and so far no one can figure out exactly what is going on. Pray for wisdom as we look for answers and for healing.

Wednesday

Dorothy: Praise for a blessed Navigator student retreat recently. Pray for the continued spiritual growth of the young people, and that one-on-one discipleship would be formed. Pray also for a sweet visit with my sister and young nephews (about 6 and 3 yrs old) this upcoming long weekend. Pray that my nephews would know the Lord at a young age.

Efthemes & Eirini: Pray for us as we return to Greece on May 25. Pray for a safe trip and for more opportunities to reach out to Muslim refugees there with the love and hope of the Gospel.

Frank & Anna: Pray for the outreach efforts of our Cambodian partners and the financial needs of the refugee camps. Pray for us during our trip to the national parks in Colorado from May 19-30. Pray that God continues to bless a Bible study at the senior center in Chapel Hill and to draw more people to Himself.

Thursday

Grant & Jenna: Pray for Grant as he is attending meetings in Johannesburg and spending several days with TWR workers in Benin and Eswatini. He returns to NC on May 25.

Greg & Anne: Pray for our medical trip on the Aripuanã River. We will be in 12 villages doing medical clinics and also doing VBS with the kids. June 4-6 we will be having our first kids camp of the year, and we are expecting 200 campers. Pray for safety, fun, and sharing the Gospel.

Hans & Stacy: Pray for the security situation to return to normal so that our translators can work on a regular basis again. Pray for protection and safety for all national workers of our organization in our city of service. Pray for "Sam's" mom who fell and broke her hip. She is 89 and had a hip replacement surgery.

Friday

J & K: Pray for relationships and discipleship opportunities with students in our Spanish classes. Three students have been visiting our church and spending a lot of time with us hearing the Gospel. Pray that their hearts would be softened. Pray that people who are searching for Jesus would see and respond to our social media content. So far 90,000 people have seen our content and there have been some light interactions and comments but nothing serious yet. Pray for K as she continues working on her Master's degree.

Janet: I am traveling back this week from Panama, where I attended the YWAM all Americas conference. There were over 850 people attending, with 51 nations represented. Pray for the list of follow-ups of locations interested in starting health care ministries and how we respond. Pray for 2 potential staff to join us soon.

Jay & Carolyn: Pray as God leads.

Saturday

Jessie (& Callum): Our baby girl was born this month! Pray for this transition with a newborn - that we would lean on His grace and strength every day.

Jim & Kimberly: Praise for effective ministry in Argentina for Jim April 21-29 preaching and speaking at a missions mobilization conference. Pray for Abby's health and her settling into a summer internship in Washington, DC and for our son-in-law Caleb looking for a HS math teaching job for the fall.

Sunday

Joe & Emily: Jonah has been in the hospital twice in the past month and needs an endoscopy to find out what has been happening. Pray for quick scheduling and wisdom for the doctors. For our recent partnership development, praise God for two new monthly partners with our Wycliffe ministry. Pray that God would bring in the remaining 17% of monthly partnerships we need to be fully funded. Pray for the Descubre México 2 project, which seeks to explore 20 languages in Mexico that need translation work and to help build up and assist the local churches there in making informed, Spirit-led decisions.

John & Alisa: Pray for the upcoming trainings online for National Ministry Leaders to be prepared and that our team will serve them well. Pray for wisdom for my team as we plan future ministry goals following the recent equipping sessions. Pray for our kids as they prepare to go on missions trips this summer. They are raising support and should have it all soon.

Pray for our Third Culture Kids (TCKs) and Senior Missionaries.
