NOVEMBER 16-22, 2026

Monday

Ramazan & Shamsia: Ramazan has started a new series of lessons from the Gospel of John. These lessons will be verse-by-verse and word-by-word. The purpose of preparing these lessons is to build a good foundation for the Farsi speaking believers and an opportunity for non-believers to understand the Gospel of John clearly. We would appreciate your prayers for the time Ramazan is spending on preparing the lessons, also pray that the Lord uses these lessons for the lost to find their Savior and that it encourages believers in understanding their Bible.

Ramy & Ruba: We are expecting 25 international students for our thanksgiving dinner; for many this would be their first time to celebrate Thanksgiving or eat turkey. Pray that we will have new students join us and that we can follow up with them afterwards. Ramy is working on training to help the staff in Navigators to be equipped to reach students from hard to reach nations. Pray that the staff who are in training will apply what they learn and be more focused on reaching those students with the Gospel.

Ric & Frieda: Pray that during the months of November and December, I (Ric) will be able to summarize our outcomes and develop our strategic team objectives for next year 2027. Pray for our financial budget for 2027. Pray for Orlando and Mariela as they get ready to be sent to Colombia in May of 2027.

Tuesday

Rick & Kim: We will be traveling to Ecuador to see Matt and family. We are so excited and thankful to be with them for Thanksgiving. Pray for safe travels and a blessed time.

Ryan & Erica: Pray as God leads.

Sam & Amanda: Praise that we have been able to move into our new house! Pray for more qualified Angolan staff for CEML (doctors, nurses, IT, administration, and maintenance) as we reach the latter part of the expansion project.

Wednesday

Shannon: Give thanks to the Lord for His goodness and salvation as we reach hidden and isolated communities with Good News. Pray John 8:26-32 for households where I'll spend time this week; that others would see and be changed by Jesus. May our communities grow in humility, holiness, renewal, and dependence on Christ.

Sheila: We have a new cohort of master's degree students at ISTEL who have started course work. This month I am leading a class online called Spiritual Transformation - focused on each individual and their walk with the Lord. Pray for good internet connection throughout classes. Several other students from previous cohorts are

endeavoring to finish writing their theses so as to be able to defend early next year. Pray they can focus and finish well.
Stephen & Peggy: Pray for our team of consultants, donors, and hospital staff as we examine how to speed up our building project at CEML. 70% of our time has gone but only 45% of the work is complete.

Thursday
Steve & Anthea: Pray as God leads.
Steve & Marissol: My older sister Linda's Celebration of Life service was held on Nov 15. Pray that the presentation of the Gospel during the service will change hearts and minds to trust Jesus. May those who attended be encouraged by the truth of God's Word and reminded of the hope we have in Jesus Christ.

Friday
Steve & Melinda: Pray for the Congo refugees here in SC to fully understand the meaning of Thanksgiving. Pray they will see that we need to put God first in everything we do. Our descendants will benefit from our decisions.
Stirling & Donna: We are praising God that two people came to Christ on Sunday! And another re-dedicated his life after falling away for some time. Pray for spiritual growth and strengthening.

Saturday
Stuart & Sindia: Praise God for the launch of the New Testament of the Lomwe Study Bible. It is now sold out! And the Lomwe whole Bible is also sold out. This is exciting! These are great problems to have. Pray for reprinting and for new copies to get here soon! And pray as we do workshops in different areas with this study edition of the New Testament for preachers and teachers eager to learn to use this new resource.
Sue: Pray for our new coaching intern who is learning about Jesus for the first time. Pray for our other new coaching and ministry intern learning about discipleship. Pray for our team and for Christian school families.

Sunday
Tim & Jenn: Pray for conversions and discipling of new believers, and for our church to grow in the Gospel and missions. Praise God for his help in navigating new regulations in the country. Pray for the provision of administrative help to assist Tim with the increased work load. Pray for peace in the region and for perseverance in Gospel faithfulness.
W & J: W is taking a three month sabbatical from his French church responsibilities. Pray for rest, renewal, and discernment during these months. One of our sons and his wife will be visiting over Thanksgiving! Pray for special family times and deepening relationships.
