

STEP 1:

Parents, you will need to listen to or read a series of three Parenting Talks and complete the homework. Once you have completed step one, contact Pastor Craig and you will be invited to the Parent Orientation.

STEP 2:

At the Parent Orientation you will get a chance to meet your ministry leaders and gain a better understanding of your preschool environment. You will also be told about the "next steps" and details concerning the upcoming Child Dedication Celebration Event.

STEP 3:

Participating in the Child Dedication Service. Before the day comes and you attend the service, please invite your family and friends. So that you can celebrate together in making a commitment to lead your child, into a growing relationship with Jesus Christ.

CHILD DEDICATION **WHAT'S NEXT**

Homework Assignment #1:

On a card, write a description of the kind of person you hope your child will become over the next 18 years. Every year on their birthday, pull out the card. This exercise will give you a chance to evaluate how you're doing as you lead your child spiritually and to remember the importance of your child's relationship with their heavenly Father.

Homework Assignment #2:

On a card write down two things that you are going to do to invest in yourself and the significant relationships in your life. Maybe your kids will to bed early so that you have quality time at the end of the day, or you plan to go for a walk every night after dinner and enjoy God's creation. These practical decisions can make a huge impact on your relationships. You must also invest in your relationship with your heavenly Father. Join a small group or committing to quiet time a few times a week are great ways to continue growing in your relationship with your heavenly Father. Choose two things and write them down.

Homework Assignment #3: Call or email Pastor Craig and RSVP to attend the next Parent Orientation. (Please contact church office)
