

Church Family,

With the arrival of October, our focus is shifting towards the final presentation of our Calvary 90 Project. Our plan is to send a weekly email each Thursday until the time of our presentation. Our goal is to keep you informed as much as we can and keep this project in your minds and hearts to remember daily in prayer.

Since the birth of the Calvary 90 project, we have had several new families arrive at Calvary. You may be wondering what the Calvary 90 project is. In February of 2024, our church voted to establish an Ad-Hoc committee to focus on the remodel of our gymnasium, the removal of our music building, and a remodel of our south/main parking lot. The project was titled the Calvary 90 project in honor of Calvary's 90th birthday in May of 2025. In the summer of 2025, phase one of the Calvary 90 project was completed with the remodel of our gymnasium. Since then, the Calvary 90 committee has given two updates to our church family concerning their specific task. The time has come for their final presentation.

There is much excitement in our church as we prepare for the final presentation. At the same time, this is a major, major project. With excitement also comes questions and maybe even a little concern. That's understandable. Questions like, "Can we do the whole project?" has been asked already. If there were not any questions, there would be no opportunity for faith. That is why we are dedicating time for prayer and fasting. Let me remind you of our timeline for the next eight weeks. This timeline is also available on your Calvary app and our website [calvarytupelo.com/calvary90](https://calvarytupelo.com/calvary90).

### **THIS Sunday, Oct. 4 - 21 Days of Prayer & Fasting Guides Available**

- 21 Days of Prayer and Fasting Journals will be available at all entrances to our Sanctuary. A digital version is also available on our app and website.

### **Sunday, Oct. 11 - Testimonies & New Sermon Series**

- On this date, you will begin to hear testimonies during our Sunday morning services. These testimonies will encourage our hearts in prayer by reminding us to Keep Our Eyes on Jesus. I will begin a new sermon series, "Keeping Our Eyes on Jesus," that will take us up to presentation day.

### **Sunday, Oct. 18 - 21 Days of Prayer & Fasting Begin**

- Our 21 Days of Prayer and Fasting Journal will give you instructions on how you can participate.

### **Sunday, Nov. 1 - Final Presentation**

- Our final Calvary 90 project presentation will be shared during our 6PM service. This will be a very important night, and I ask that you already begin to make plans to be present. This presentation will include: two new playgrounds; completely new, one level parking lot; a new entrance from the west side of our campus; creating a new entrance at our welcome center (green awning) that will enclose the space between the welcome center entrance and the gymnasium entrance; more efficient handicap parking; more efficient lighting and security cameras in our new

parking. This is a multi-million dollar project, that previously was estimated at 4–6 million. We will present the updated cost for the project on this night. You will not want to miss this presentation.

### **Saturday, Nov. 7 - 24 Hour Day of Prayer**

- From 7AM on Saturday, Nov. 7 to 7AM on Sunday, Nov. 8, we are asking that you sign up for a 30-minute time slot to come to the church sanctuary and pray for this project. All through the day and all through the night, someone will be praying in our sanctuary. Please make plans to enter the sanctuary from the Main Street front entrance. Security will be provided for those 24 hours.

### **Sunday, Nov. 8 - Day of Giving Worship Service & Gratitude Luncheon**

- After weeks of prayer and fasting, we are trusting the Lord to provide what we need. We are not asking for commitments or pledges. We are simply asking that you pray and follow the Lord on how he directs you to give. The biggest questions related to the project will be: "What is our plan to pay for this project? Is the plan to do this project all at once or in phases?" These questions will be answered on this day. Naturally, we would love to do the whole project at once, but this will be determined by what happens on our Day of Giving. This service will be special and probably unlike any service you have attended. A fellowship meal, fully catered, will follow in our CMC. RSVP on our app, website, or at the Connect Table to help us prepare accordingly for the meal.

### **Wednesday, Nov. 11 - Motion & Discussion**

- After our Day of Giving, our committees will meet at 6PM in the sanctuary to present a motion for our church family to consider. The question, "What is the plan moving forward?" will be answered. We will allow ample time for questions and discussion.

### **Sunday, Nov. 15 - Vote**

- After the morning service, we will vote on the motion that was presented the previous Wednesday night.

I can't express enough how thankful and grateful I am to our Lord—He has led us each step of the way. This whole timeline is all HIM! At the same time, we have had some outstanding people serve on our committees to help prepare for this final presentation. We had committee meetings this week on Monday, Tuesday, and Wednesday night to pray and prepare for this final presentation. The committees are already scheduled to meet next week to continue to fine tune this presentation. The time is right for this project—Calvary is healthy, unified, growing, and eager to step out in faith.

Remember this project daily in prayer and above all, *Keep Your Eyes on Jesus*.
