Church Family,

It's Thursday, which means an email update concerning our Calvary 90 Project. The Lord continues to show His grace upon our church family. We are thankful and grateful to serve our Lord and Savior Jesus. May this season of our church be a fruitful and faithful time. I would like to share a couple of updates and reminders from this week.

1.) Our 21 Day Prayer and Fasting Journals are available at each entrance of our Sanctuary. If you haven't already, be sure to pick one up.

2.) This week we met with our playground contractor to finalize a few remaining items. On Nov. 1, at our presentation night, you will see the renderings of our proposed two new playgrounds. One playground will be for ages 1-5, and the second playground for ages 6-12. These two playgrounds are top of the line. I can't wait for you to see the renderings.

3.) This week, our architect continues to work towards providing our overall final renderings that we will present on Nov. 1. Be in prayer this week for this process. Our goal is to provide all the information/renderings so that you can see the scope of the entire project.

4.) Our 24-hour day of prayer on Nov. 7-8 is now live for sign-ups. Our main sign-up sheet is available at the landing, or you can sign up on our website or Calvary app.

5.) Begin now praying for our Day of Giving, Nov. 8. This day may require you to prepare for whatever the Lord puts on your heart to give.

Have a blessed day. I hope to see you on Sunday as we begin a new Sermon series, *Keeping Our Eyes on Jesus*.

Keeping Our Eyes on Jesus,

Bro. John
