Women's Ministry Opportunities at Calvary

"She is clothed with strength and dignity; she can laugh at the days to come."
- Proverbs 31:25

Our mission at Calvary Tupelo is to COME, SERVE, and GO TOGETHER. We have several ways for ladies to join us as we come together in fellowship to study the Word of God and grow through discipleship. We seek to both serve and go together by sharing the Gospel and serving the Lord in our homes, church, community, and world!

Below is a brief overview of current & upcoming opportunities.

Calvary Table

- Connect & Build Relationships

Gather with women interested in making new connections, sharing life, building relationships, and experiencing the love of Christ. Group of five meet once a month for five months. There are day and night options with groups beginning January–May and July–November each year. Join us as we form groups of different ages, walks of life, growing together in His love. At the beginning of each new group, we will meet our groups at a kick-off event and fellowship. We look forward to a new year of Calvary Table!

Behind the Fine

- A Gathering to Hear Testimonies

Behind the Fine meets a few times a year. Women fellowship together and hear God-honoring testimonies of other women and their walk through difficult days. It is an encouraging experience to go behind the surface of who we are and to really listen to the heart of women that have proved God to be faithful. It's a chance to go deeper into the question of "How are you?" and go "Behind the Fine."

Moms In Prayer

- An International Prayer Ministry

Moms and grandmothers come together weekly on Wednesdays at noon to pray for students, schools, teachers, and administrators in our city, state, nation, and world. This group is facilitated by Diana Pittman and meets via Zoom at noon on Wednesdays. This prayer group at Calvary is a part of an international ministry of moms all over the world who pray for our children and schools.

Bouquets of Blessings: Flower Distribution

This ministry prepares arrangements on Monday mornings as needed using sanctuary flowers to distribute to church members who may be sick, hospitalized, or have lost a loved one. This team needs help preparing arrangements and delivering them. For more information, contact the church office.

Women's Conference

- *Coordinated by Women's Min. Lead Team*

Each year we host or attend at least one Women's Conference uniting women of all ages for a day or even a weekend of fellowship, community, and worship. It's a refreshing time of renewal and restoration as we worship and seek Jesus together.
