A Word From The Founder

Hey Tribe,

Some of you will be traveling from another country, some from across the country, and some from across the city. Some are coming expecting to make a romantic connection and some expecting to finally not feel alone.

However, my greatest hope is that you would pray that God removes all of your expectations and instead that His will be done. So, say that prayer, and allow God to be God and allow whatever His will for you attending The Meet Up Experience is to be done.

May God give traveling mercies to each one of you. Looking forward to spending this weekend with you all!

xx, Shakia

PS: Remember that you are a light in the city of Austell. So be mindful of how you conduct yourself in the spaces you visit.

You represent the Kingdom wherever you go.

About TMUE

The Meet Up Experience is a 3-day event where abstinent Christians connect from around the world. That's the simple explanation.

However, previous attendees have said “it's not just an event, it's a life changing experience.” This description may be attributed to the lifelong friendships and romantic connections that have come from The Meet Up Experience.

You may be one of the many abstinent Christians who feel alone, like you are the only one who has stayed committed to this lifestyle. Understanding that there are many abstinent Christians spread out across the world, The Meet Up Experience's goal is to gather everyone in one space. In doing so, the opportunity for new friendships & possible romantic connections is created.

The Area*

Nerby Attractions

While The Meet Up Experience is the main event, we know some of you may want to make the most of your time in Georgia. Whether you're looking to unwind in nature, seek out a little adventure, or explore the local scene, there's plenty to enjoy just minutes from the host hotel and venue.

From iconic theme parks to peaceful state parks and hidden local gems, this area offers the perfect mix of fun and relaxation. Below are a few nearby attractions worth checking out before or after the weekend's events.

Six Flags Over Georgia – A major theme park with thrill rides (like Monster Mansion), water attractions, and entertainment, located in Austell.

Sweetwater Creek State Park – Scenic hiking trails, historic mill ruins, picnic areas, and a lake—about a 10-15 minute drive into Lithia Springs.

Frog Rock Park/Disc Golf – A fun outdoor activity close to town featuring disc golf in a relaxing park setting.

Austell Rail-fanning Plaza – A casual spot for watching colorful locomotive traffic cars.

From comforting Southern classics to flavorful international dishes, there's something for everyone just a short drive from the host hotel and venue.

Below are some popular local restaurants that are known for great food, friendly service, and convenient access. These places are perfect for Tribe members looking to explore a little taste of Georgia.

Wallace Barbecue Restaurant – Authentic Southern BBQ staples served in a warm, welcoming environment

South Cobb Diner – A longstanding diner offering generous Southern meals, perfect for breakfast or comfort food

Casa Grande Bar & Grill – Enjoy vibrant Mexican food and karaoke fun

Phenomenal Seafood – Fresh seafood and soul-food specialties like shrimp & grits and crawfish Po-Boys

Thai of Austell – Family-friendly Thailand dishes ranging from mild to spicy, great for a casual dinner

Commuting to these spots from the host hotel is easy. Most are within a 5–10 minute drive. You can use Uber/Lyft if you don't have a car.

[VIEW THE PLAYLIST HERE](#)

9:30p Tribe Prayer

Gather with the Tribe for a time of prayer as we seek God together, lift one another up, and invite Him to lead every part of our lives and this weekend.

The Introvert Band

Yellow Wristband = "Come Say Hi!"

If you're an introvert or find it difficult to start conversations, feel free to grab a yellow wristband.

Wearing one is a simple way to let others know that while you may be a little shy, you're open to meeting new people.

If you see someone wearing a yellow wristband, take the initiative! Introduce yourself, invite them into a conversation, or ask if they'd like to join you. A small act of kindness can make a big difference and help someone feel more connected throughout the weekend.

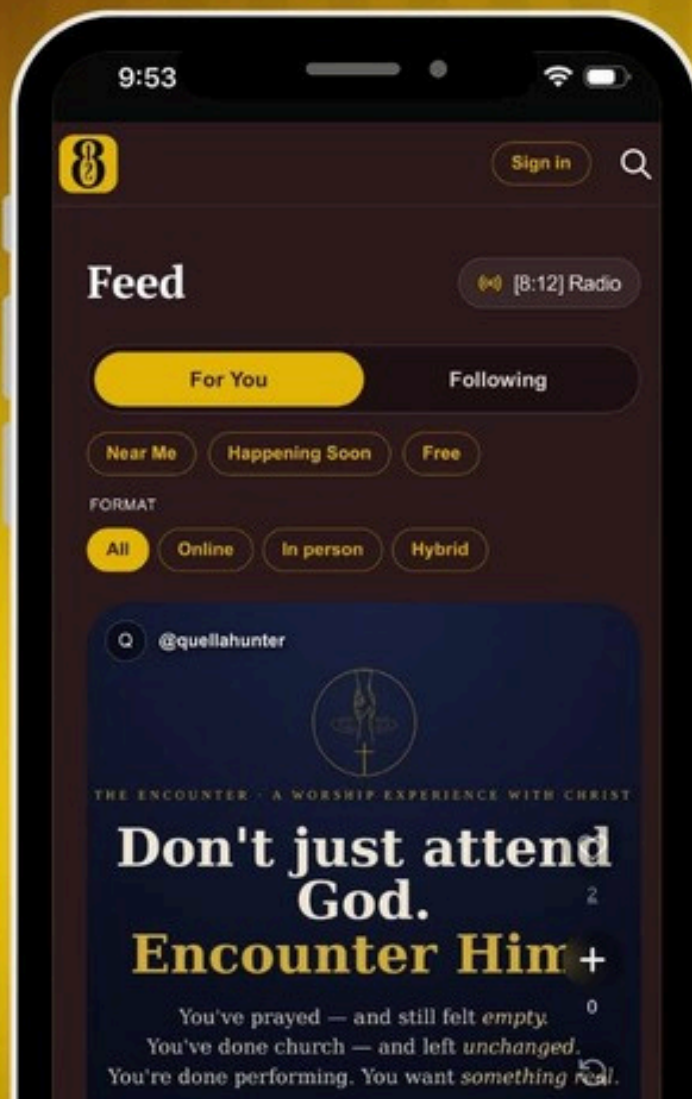

Together, let's create a welcoming community where no one has to navigate The Meet Up Experience alone.

MEET MTC

THE MEET UP EXPERIENCE'S PERFORMING ARTIST

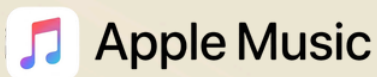

Hey Tribe!

If we haven't met, I'm MTC STEPHEN, a Christian rapper from Oklahoma City. I'll be performing a few songs at this year's Meet Up Experience.

Guiding the next generation away from destructive and explicit music that often influences the decisions of today's youth is my passion. That's why I do Christ-centered rap. I love connecting with the youth, as well as adults at my live shows.

One of the best parts of any live show is crowd participation, so I've included links to my songs below. Feel free to give them a listen, learn the lyrics, and sing along with me at The Meet Up Experience. I look forward to seeing you there.
