Name: Daryl Lewis

Current place of employment: Infinity Group Realtors, Inc. / Allworld Project Management, LLC.

Position seeking: Assessor of Property

Job description/responsibilities of this position (2 sentences)

Determining the value of real property, ensure fair and equitable property tax assessments, maintaining accurate property records. Also, conduct property inspections, handling property tax appeals, and providing property valuation information to the public.

What are you 3 platform issues? What are priorities for you? (be specific)

Increase integrity in the office by ensuring fair appraisal practices are applied commonly across the county to prevent over taxation. Increased transparency through community engagement and educational opportunities to remove barriers to access. Modernize the office with inter-departmental technology with the County Clerk and Codes Enforcement to locate and capture taxable properties to increase revenue, and advocate for tools to reduce blight and create a larger base for taxable properties.

If this position has a large number of opponents would you be willing to step aside in order to have a consensus candidate?

Yes.

Are you willing to participate in public debates about what would be best for our city/county? Yes.

How many offices have you run for? How many offices have you held?

I have run for two offices. The first was Shelby County Commission in 2018. I have not held any.

Will you support whoever wins if you are not successful? Yes.

Do you have any plans or goals to help increase not only voter registration but voter participation in the city of Memphis?

Yes. Over the past 35 years, I have been active with voter registration drives through Alpha Phi Alpha, I AM A Voter Collaborative, and the NAACP of which I am a Silver Life Member. I will continue to do the same if elected or not.
