

WARNED BY GOD

What is going to happen tomorrow? Guess what? You have no idea what will happen tomorrow. I know you have many things scheduled, and your life is hectic. But just because you wrote it down doesn't mean it's going to happen. You can plan your life, but you cannot dictate your life. James stated this fact plainly: "Come now, you who say, 'Today or tomorrow we will go to such and such a city, and spend a year there and engage in business and make a profit.' Yet you do not know what your life will be like tomorrow" (4:13-14).

But even though we cannot predict the future, the Bible teaches us that we should be prepared for certain possibilities. The Hebrew writer stated that "By faith Noah, being warned by God about things not yet seen, in reverence prepared an ark for the salvation of his household..." (11:7). God warns us every day through His word. He warns us about...

(1) ...the brevity of life. James continued his lesson about the future by writing, "You are just a vapor that appears for a little while and then vanishes away. Instead you ought to say, 'If the Lord wills, we will live and also do this or that.'" (4:14- 15). You don't know what will happen tomorrow, but they may be the last things you ever do. Live accordingly.

(2). ...the return of Jesus. Even though He will never step foot on earth again (I Thess. 4:16-17), Jesus will return to meet His saints in the air to give us our eternal life with our Lord. Since we know the Lord is coming back, Peter asked, "...What sort of people ought you to be in holy conduct and godliness (II Peter 3:11).

(3). ...the reality of hell. Many people don't want to think about hell. But if you live for Satan on the earth, you will live with him forever in the place that was prepared for him and his angels (Matt. 25:41).
