RIGHTCARE is a community based ministry that is led by local churches in order to help families navigate the significant challenges of aging.

Alpine Church of Christ is forming a “*RIGHTCARE Ministry Support Team*” that will be uniquely focused on senior adults. This team will include the adult children of seniors and volunteers of all ages offering to help find solutions for:

- **Aging at Home**
- **Caregiver Burdens**
- **Health / Medical Issues**
- **Loss of Independence**
- **Mobility Issues**
- **Quality of Life**
- **Safety Concerns**

The RIGHTCARE Ministry.... uses the most advanced methodology to focus on safety, health, and quality of life issues.

The RIGHTCARE Ministry.... provides the training, tools, and support to create a plan for identifying and addressing issues common to seniors.

The RIGHTCARE Ministry... is managed by volunteers from our church and is available to anyone in our congregation, *at no cost.*

Our seniors need answers.

Our seniors need care.

We all need **RIGHTCARE.**

We all care for our seniors. Previously, we were not able to offer an opportunity to effectively assist them in confronting their problems. Now, our team will be joining forces with:

- Emergency Responders
- Fire Departments
- Health Care Providers
- Industry Professionals
- Senior Living Providers

Our Mission

To save lives and improve health outcomes by inspiring the best practices.

Our Vision

A world that is responsible, accountable, and obligated to provide quality care for all Seniors.

Our Values

RightCare values faith, family, and the sanctity of life.

Background Information

The RIGHTCARE Foundation was founded in 2008.

The methodology is based on 20 years of research beginning in 1999.

It involved 300 organizations and 75,000 senior lives.

It is the largest collaborative research of its kind. It all started because **ONE** person cared and he realized *he couldn't do it alone.*

We need your help to make this ministry for seniors a success, not only as volunteers but also as aware individuals identifying those seniors who might be overlooked....

EXCEPT SOMEONE CARED.
